

THE CHRONICLE

J. S. NEBLETT, Local Editor. CLARKSVILLE, FRIDAY, SEPT. 4, 1888.

CLARKSVILLE, FRIDAY, SEPT. 4, 1888. RAILROAD TIME TABLE.

IN LUCK.—The Chronicle corps return thanks to Mr. Wm. Edmondson and Mr. John H. Turner, for a "very large treat" of watermelons.

JOHN RICE has returned with an entirely new fall and winter stock, and says he will sell them right.

REMEMBER that Miss Sallie Howard's school for girls and boys commences on next Monday.

DRIED FRUIT.—We anticipate a large quantity of dried fruit this season. Holders will find ready sale for all of it at good prices.

The meeting which was to have been held at the Court-house last Monday night, in the interest of Free Schools, was postponed until to-night at 7 o'clock.

FIRST PRINCIPLES.—Our old and energetic friend, M. Mattill, has returned to his "first love," and opened a Confectionery store on Franklin street. He deserves success, and we hope he may secure it.

REVIVAL.—Quite an interesting revival took place at Mt. Carmel, in this county, last week. Our Presiding Elder, Rev. Mr. Ransom, was assisted by quite a number of efficient divines. There were about forty seekers and several conversions.

Bible Cause.—We are requested to give notice that there will be a meeting of the friends of the Bible cause, at the Methodist church, in this place, next Sabbath evening at 8 o'clock. All the other churches will be closed that evening. The Pastors and perhaps others, will make short addresses on the occasion.

THE CIRCUS.—The lovers of the saw-dust opera will be delighted at the announcement which appears in another column of our paper. John Robinson's Circus and Managerie is said to be the largest traveling exhibition in the United States. If reports be true he has the largest collection of animals and the best company of performers that has ever visited this section of country.

SERENADE.—We return thanks to the Bowling Green Brass Band for a serenade given us on Friday evening last. Though the occasion of their visit to our city was sad one, we trust that it was not unpleasant, and that we may again have the pleasure of seeing and hearing them on happier auspices.

New Book.—Every Methodist should buy a copy of the "History of Methodism in Kentucky," by Rev. A. H. Hedford. It is replete with graphic description and historic interest and can not fail to please all who read it. For sale at the Book Store of A. H. Hedford, Louisville, Ky.

DEFERRED BOARD.—We would suggest to the proper authorities the propriety of having a large bulletin board made and placed in the Court-house, for putting all legal and public printing, such as is done by order of court and official officers. It would prove of great convenience to the public.

SICKNESS.—We learn that a great deal of sickness prevails throughout the country. It is stated that in the neighborhood of Trenton, Ky., whole families are down with typhoid fever. The health of our city is tolerably good, for which we should be exceedingly thankful.

OUR SCHOOLS.—Next week the various schools in our city will open their fall sessions. The Female Academy, at Stewart College; Prof. Marshall, at Cumberland Presbyterian Church; besides various smaller schools for both boys and girls. Our city offers unusual educational facilities, and we hope the competent and worthy teachers may all receive the patronage they so justly merit.

GOING UP.—The neat and substantial frame cottage, in course of erection by Willis Jackson, on the Charlotte pike, is going up rapidly. The new frame residence of Mr. Hay, in the same locality, has risen Phoenix-like from the ashes of the late ruins, and is nearly or quite completed, and is indeed a beautiful acquisition to that portion of our city.

RETURNED.—Clarksville may not be a great place, but few persons reside here for any length of time and leave without returning to the old place again. Our old neighbor and friend, Prof. E. Herbin, has returned, and he and his accomplished daughter, Miss Annie, intend opening a music school on the 7th inst. We wish them unbounded success.

The Professor desires to form an orchestra band, to be composed of eight young men. This is an excellent opportunity for those who desire to spend their leisure hours pleasantly and profitably.

We are indebted to G. Kay, President of the Paducah and McCracken county Agricultural Fair, for complimentary tickets. The Fair will be held on the 22, 23, 24 and 25th of this month.

Funeral & Ex-Condolences.

Last Friday Clarksville witnessed an impressive scene. According to previous notice, the remains of Col. THOS. W. BRANTSON, a well known and life-long citizen of this place, and of Capt. GEO. Y. WILLIAMS, Confederate officers killed in the battle of Chickamauga, were brought to the city, and an immense concourse of people assembled to assist in the last sad ceremony of the sepulchre. All funerals are sad, but this was unwontedly sad and profoundly impressive. Not so much from the brief but eloquent oration of Hon. Jno. F. House, their companion in arms, though much of his sentiment, as from the stirring notes of the organ, the quick and noted orator, fell with thrilling effect upon the hearts of every one in the densely packed audience, nor from the solemn funeral services so sympathetically read by Rev. Mr. Moore, but rather from the impressive nature of the quick and stirring memories of the mighty events in which the dead before us had participated, and to the subsequent fall of the cause and dissolution of the great armies that upheld it. We should not fail to mention the fact that bloody September day, 1862, on which those gallant gentlemen fell, in presence of whose dust we stood with reverential uncovered head, nearly all for which they fought, but honor had been lost. A considerable number of the brave soldiers who fought by their sides on that last battle-field, also saw their remains committed to the grave here in the home of their youth. If the ways of an inscrutable Providence seem finding out sad and sad advice to the designs and wishes of men, we may yet gaze at the few melancholy beams of light that cross them, and hope and endure.

PAUL TRADE.—We are glad to see that some of our merchants are already receiving their first supply of goods for the fall trade. The prospect of doing a large business, for a long time, seems more flattering. We have been blessed with abundant crops; and in spite of the gloom which has spread over the State by the wretched legislation of "the powers that be," money appears to be forthcoming to meet any demand which will pay for its investment. Prices here keep up wonderfully in all things, especially in real estate. Sales are being made almost daily, and large advances given on purchases of real estate. It appears somewhat strange, but it is nevertheless true.

The stocks in the dry goods, clothing and grocery houses here cut down to small supplies at the close of the season, making the market almost unrepresented, and we are informed that the greatest number of our merchants, perhaps all, will open the present fall season, the largest and most complete stocks ever offered in the city, and will make it an important and profitable one. The whole region of Tennessee and Southern Kentucky, to come here and get their supplies instead of patronizing other places. We hope their anticipations of a heavy fall trade may be fully realized.

Ministerial Educational Aid Society, of the M. E. Church South. At the last session of the Tennessee Annual Conference, of the M. E. Church South held in this city in October, 1887, highly important action was taken, looking to the organization of a Parent or Conference Society, and of Auxiliary District Societies, the object of which should be, to afford pecuniary aid to young men, in order to their obtaining an education, preparatory to their work in the itinerant ministry, in the M. E. Church South.

On Thursday the 27th ult., pursuant to notice, the subscribers in the Clarksville District, met at the office of C. G. Smith Esq., the Presiding Elder, Rev. B. E. Ransom, in the chair, and organized a District Society, under the title which heads this article, and elected its officers for the next Conference year.

By action of the Conference, under which this Society was organized, the use of all the funds collected by the Society, was restricted to the single object, of defraying the actual educational expenses of students for the itinerant Ministry, of the M. E. Church. At this, the first meeting, one applicant for aid was received, as a beneficiary of the Society, and provision was made for his education.

All applicants for aid, are recommended by the Presiding Elder and the quarterly Conference of the Circuit or Station of which they are members. All members of the Tennessee Annual Conference are ex-officio members of this Society, or other persons may become members by the payment of ten dollars annually and life members may be constituted by their giving their notes for one hundred dollars each, payable in ten annual installments of ten dollars each. This action on the part of the M. E. Church South, in our midst is certainly a step in the right direction and deserves the hearty support of all its membership as well as of all who are to feel an interest in its advancement and success.

All persons wishing to become members of this Society and desiring to contribute to its most worthy objects, can do so by calling on the Secretary Mr. Samuel Johnson or the Treasurer Mr. Peter Howell.

ENTOR CHRONICLE: The school meeting called for the coming of the Court-house, I understand, for the purpose of instructing the school directors of this district to the qualified voters a tax of three dollars on each one thousand dollars' worth of property.

Property-holders should be there to express their wishes. This tax, if levied, will make the entire tax in this district nearly three per cent. TAXED EDUCATION.

The cotton crop of this State will be much larger than usual this season.

Great Auction Sale on Tuesday Sept. 11th at the rooms of E. H. Hyman, at the Rooms of T. H. Hyman, on the first day of sale, at 11 o'clock, a splendid set of cut and engraved Glassware; at 12, a stone china breakfast, dinner and tea set complete, and a splendid white china breakfast, dinner and desert set, will comprise two hundred pieces. The attention of all, especially the Ladies, is called to this sale, and to these goods especially. Aug. 28, '88-3w.

A CARD. To the Citizens of Montgomery County and vicinity: The fall season will soon be here, and all persons intending to have Painting and Renovating done this fall, should engage their work or make their contracts at once. If they will notice the market quotations, they will see that interest on has advanced fifteen per cent. in the past few days and is steadily on the rise, and every other material in our line is advancing in price, such as lead, glass, etc.

Those persons who may favor us with a call know that if they engage their work, or make their contracts at once, it will enable us to purchase a supply of material at present prices, and we can afford to do their work cheaper now than if it is put off till later in the season and material at an advanced price.

We return our sincere thanks for the very liberal patronage we have received from this community the past spring and summer, and hope, by doing our work in a substantial and workmanlike manner and at reasonable prices, to merit a continuance of the same. Respectfully, W. L. GARDNER & CO., House Painters and Decorators. Shop, Pink Corner, on Strawberry Alley, back of Coulter, Hillman & Co's. Aug. 29, '88-1w.

Boarding.—Mrs. E. C. Riggs informs the public that she is prepared to board two families; also day boarders and school girls. Residence on corner of Main and Fourth Cross streets. Terms moderate. Apply soon. Aug. 21, '88-4w.

Grand Auction Sale.—Good News for the Ladies.—A Chance to get Goods at Your Own Price.—Mrs. Rogers, of the well known House Furnishing Emporium, will visit our city on the 15th day of September, and offer to our citizens, and especially the Ladies, at auction, at the rooms of Mr. T. H. Hyman, Franklin street, a splendid selection from her fall importations and purchases of the following complete assortment: Decorated china toilet sets, vases, and general ornaments; Bohemian glass powder sets, vases, carafes, liquor sets, decanters, &c.; Lava vases, smoking sets, spittoons, tobacco jars; Parian marble ware; gold band chandeliers and tea sets; white china dinner and tea sets, and extra pieces; cut and engraved glassware, and plain flint glass, table mats, waiters, table cutlery, silver plated ware, an elegant variety, and all goods will be guaranteed as represented and the reputation Mrs. Rogers has established among our citizens for true representation, shall be maintained in this sale. Goods will be on exhibition three days before the sale.—Sundays and half-gallon fruit for sale by hand. Aug. 21, '88-4w.

MUSIC SCHOOL.—MISS MARGARET KING will open a Music School, at her residence, on the 1st Monday in September, 1888. Terms—\$30 per session of twenty weeks. Use of Piano, \$5.00. Instruction in thorough bass. Three lessons will be given a week, and each lesson three quarters of an hour long. Tuition payable in advance. No deduction unless for protracted illness. July 17, 1888-2w.

To Farmers and Others. FOR SALE—A BARBAIN—A second-hand, light two-horse wagon, iron axle, with new wagon bed and side boards, all newly painted and nearly as good as new. Apply to W. L. GARDNER & CO., House Painters and Decorators. Aug. 11, '88-3f.

Cash vs. Tickets.—We again insist that we prefer not to make tickets under ANY CIRCUMSTANCES. A cash business cannot be conducted under the ticket system. It is as easy to pay for an article at the time of buying as it is to days thereafter, and we are loath to spare a collector out of the store to ask for small amounts here and there. Besides, it is unpleasant to both parties—the dunder and the dunder. COULTER & HILLMAN, July 10, '88-1w.

THE RUBBER EXCITEMENT has not abated and given way to that caused by the arrival of a large lot of the celebrated "Bobby" wagons which, together with the Probe & Bodley Buggies, have made a reputation in this country that cannot be successfully resisted. This work is made in Wheeling, Va., to our order, and we warrant it equal to any home work. Call at our Repository, on 24 Street, and examine for yourselves and you will "doubt no more." J. E. S. BRINGHURST & CO., July 21, 1888-1w.

Just Received—At Sam. Brockman's Repository, the finest assortment of Buggy and Carriage work made to the city of Clarksville since the war. Call and examine them before purchasing. Aug. 14, '88-1w.

WHAT'S OUT?—Why numberless old rope clothes lines, rotting in this damp weather. Now there is no reason for this; nor (allow us to say) no sense in it, when you can, for a very small sum, procure a WHITE WIRE CLOTHES LINE that will last you as long as you live, and will prove the greatest convenience you ever had. They will not rust. They will not dirty the clothes. The clothes will not freeze to them. In short they are the very thing. We warrant all this. Call and buy one at C. H. MILLER & CO'S, 24 Street. Agents for the manufacturers. May 22, 1888-1f.

GENERAL NEWSPAPER AGENCY! JNO. W. FAXON, AT THE NORTHERN BANK OF TENNESSEE. Is the authorized Agent for the Louisville Courier, Robertson Register, Louisville Journal, Russellville Herald, Knoxville Banner, The Bow's Review, "Union & Dispatch, and the "Gazette. Banner of the South, edited by Father Abram Ryan, author of the "Conquered Banner," &c; and Post Laureate of the South. Subscriptions forwarded free of charge when accompanied by the cash. July 31, '88-3w.

Beef!—Not the stale beef of the market, but the best beef of the market, just received from the city market, better known as choice cows, every market morning. When you come to market call at my stall and supply yourselves with something that will do you good. Yours truly, TOM MCMAHON. April 21, 1888-1w.
