A spring medicine is needed by everyone. Winter food, largely consisting of salt meat and animal fats, causes the liver to become disordered and the blood impure, hence the necessity of a cleansing medicine. The best is Ayer's Sarsaparilla.

R. D. Caldwell, familiarly known as "Dick," has resigned his position as salesman for R. W. Roach, and has accepted a similar position with Howerton & Macrae. He is one of the best dry goods men in the city, and the firm he is with is to be congratulated on having acquired his services. Call and see him.

Mike Northington undertook to climb a step ladder in the store the other day. The ladder proved to be the same treacherous thing that McGinty started up, and down came Mike receiving a severe bruise over the left eye. We don't know that he had anything bet on the success of his undertaking or not, but he decided not to follow McGinty's example any further.

Where the Money Came From. A writer in the Leaf is favorably impressed with the City Treasurer's report, but wants to know where the money came from: \$28.50 turned into the Treasury by Alderman Gilbert, and \$150.30 by Mayor Smith, as these officers are not the proper custodians of the finances. Mr. Gilbert sold the remaining shingles left over from covering the New Providence Bridge. That reported by Mayor Smith, was fees collected from the pound for stock, hogs and cows running at large in violation of the law, taken up and impounded.

Incendiary. The burning of Mr. Taylor Lewis' barn Friday night near Cumberland City by which he lost property to the value of \$2,500 is supposed to be the work of an incendiary. If the miscreant should be caught short work would be the best antidote in his case.

In Man and Woman's Own Neglect. Of themselves will be found original cause, in nine cases out of ten, of all the bodily ailments from which they may suffer. A tired feeling or slight indisposition is treated indifferently and the body left to work out its own restoration to health, minor ailments being looked on as trifles. This is the great mistake, and one which often causes long spells of sickness. Were the old adage practiced in time "An ounce of Prevention is better than a pound of Cure" all that suffering would have been spared, Ebert's Extract of Tar and Wild Cherry is the Great Panacea for the use and for the cure of Coughs, Colds, Hoarseness, Spitting of Blood, Asthma and Pains in the Chest and Lungs, it is also excellent in first stages of Consumption. Ebert's Daylight Liver Pills cure Sick Headache, Nervousness, Dyspepsia and all Bilious Complaints. Both remedies are guaranteed. For sale, wholesale and retail by Lockert & Reynolds druggists.

Harry Fanning, who cleared \$15,000 on an investment of \$1 a little over a month ago in the Louisiana State Lottery, is attending to his business as strictly as ever, and instead of squandering the money which came so easily is going to use it to good purpose. He kept the matter to himself and told no one of his great good fortune, but quietly sent his coupon forward for collection by Wells, Fargo & Co., and in less than ten days he had his money counted out to him over their counter in bright \$20 pieces.—Stockton (Cal.) Clarksville's Statistics. Mr. H. H. Owen has been employed for 10 months getting up statistics pertaining to Clarksville for the purpose of sending the data to Hon. J. E. Washington to be used in obtaining money from Congress for a public building at Clarksville. The report is full, so Mr. Owen says, and presents facts that should be enough to get the appropriation. Every effort should be made to get this money, and the only way it can be secured is by a united effort on the part of the citizens.

Not a Pimple on Baby. Baby one year old. Bad with Eczema. Hair all gone. Scalp covered with eruptions. Cured by Cuticura. Hair splendid and not a pimple on him.

Cured by Cuticura. I can not say enough in praise of the Cuticura Remedies. My boy, when one year of age, was so bad with eczema that he lost all of his hair. His scalp was covered with eruptions, which the doctors said was seborrheic, and that his hair would never grow again. Despairing of a cure from physicians, I began the use of the Cuticura Remedies, and a happy to say, with the most perfect success. His hair is now splendid, and there is not a pimple on him. I recommend the Cuticura Remedies to mothers as the most speedy, economical and sure cure for all skin diseases of infants and children, and for that every mother who has an afflicted child will thank me for so doing. Mrs. M. E. WOODSUM, Norway, Me.

Fever Sore Eight Years. I must extend to you the thanks of one of my customers, who has been cured by the use of Cuticura Remedies, of an old sore, caused by a long spell of sickness or fever eight years ago.
