# LAXAKOLA

## THE GREAT TONIC LAXATIVE

If you have sour stomach, indigestion, biliousness, constipation, bad breath, dizziness, inactive liver, heartburn, kidney troubles, backache, loss of appetite, insomnia, lack of energy, bad blood, blotched or muddy skin, or any symptoms and disorders which tell the story of bad bowels and an impaired digestive system, Laxakola Will Cure You.

It will clean out the bowels, stimulate the liver and kidneys, strengthen the mucous membranes of the stomach, purify your blood and put you "on your feet" again. Your appetite will return, your bowels move regularly, your liver and kidneys cease to trouble you, your skin will clear and freshen and you will feel the old time energy and buoyancy.

Mothers seeking the proper medicine to give their little ones for constipation, diarrhea, colic and similar troubles, will find Laxakola an ideal medicine for children. It keeps their bowels regular without pain or griping, acts as a general tonic, assists nature, aids digestion, relieves restlessness, clears the coated tongue, reduces fever, causes refreshing, restful sleep and makes them well, happy and hearty.  Children like it and ask for it.
