**Some Tennessee Folks Tell How They Won.**

Sick people want to be well in a hurry.

A great many, perhaps most all, illnesses have their beginning in derangements of the stomach and digestive tract.

Mayr's Wonderful Remedy starts in at the first dose to put stomach sufferers on the way to health. The first dose proves it. It is taken with success everywhere. Here are the words of two Tennessee people who have taken it:

MISS CORA FISHER, 805 Saxon avenue, Memphis—"Have taken your medicine and it worked like a charm—has removed quite a number of gall stones. It does just what you said it would."

MRS. W. J. WARD, Sparta, Tenn.—"I can honestly recommend your remedy to all sufferers from constipation and stomach troubles. Indigestion seems a thing of the past with me."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.—adv.
