THE WHITE IS KING!!

THE EASIEST SELLING; THE BEST SATISFYING SEWING MACHINE

Its Introduction and World reputation was the death blow to high priced machines.

THERE ARE NO SECOND-HAND WHITE MACHINES IN THE MARKET.

This is a very important matter, as it is a well-known and undisputed fact that many of the so-called first-class machines which are offered so now a-days are those that have been repossessed (that is, taken back from customers after use,) and rebuilt and put upon the market as new.

The White is the peer of any sewing machine now upon the market.

It is much larger than the family machines of the Singer, Howe, and Weed make.

It costs more to manufacture than either of the aforesaid machines.

Its construction is simple, positive and durable.

Its workmanship is unsurpassed.

Do not buy any other before trying THE WHITE.

Prices and Terms Made Satisfactory.

NEW YORK'S Gas-Lit Life Illustrated.

The above is the title of a series of sketches of the shady side of life and character in the Great Metropolis, now being fully illustrated from authentic sketches in the National Police Gazette of New York, which are realistic and faithful portrayments of real life. The illustrations are by the best artistic talent attainable, and the descriptions are from the pen of the most gifted journalist and brilliant writer in America, who it is conceded, has rivalled that master hand at word painting—Charles Dickens. It is sufficient to say that "New York's Gaslit Life" will present the most striking, vivid and truthful pictures of the under-current of life in New York City that have ever been presented to the public. The National Police Gazette of New York is for sale by all newsdealers, price 10 cent per copy, or it can be ordered direct from the publisher.

Subscription price, \$4.00 per year. The National Police Gazette, of New York, has no connection with any other publication of its class, who for gain, as far as possible copy its title and appearance. CAUTION.—The public are cautioned against buying weak imitations of the National Police Gazette. In all cases see that the paper is dated from New York and has the publishers name printed on each copy.

Remittances should be made by post office order, draft on New York, or by registered letter to RICHARD K. FOX Publisher, Cor. Spruce and William Sts. New York City.

THEY All want it,

Because it is a family newspaper, pure sound reading for old and young, and it contains a reliable and comprehensive summary of all the important news.

THE New York Observer

The Best Family Newspaper, Publishes both the religious and secular news that is desired in any family, while all that is likely to do harm is shut out. It devotes four pages to religious news, and four to secular.

The NEW YORK OBSERVER was first published in 1823; and it is believed to be the only instance of a Religious Newspaper containing its even course for fifty-six years, without a change of name, doctrine, intent, purpose, or pledge from the date of its birth.

The 57th Volume,

will contain all the important news that can interest or instruct; so that any one who reads it will be thoroughly posted.

We do not run a benevolent institution, and we do not ask for the support of charity. We propose to make the Best Newspaper that is published, and we propose to sell it as cheaply as it can be afforded. Let those who want pure, sound, sensible, truthful reading, subscribe for it, and let them induce others to do the same. We are now publishing in the OBSERVER the story of

JOAN THE MAID,

by Mrs. CHARLES, author of "Chronicles of the Schonberg-Cotta Family."

We send no Premiums. We will send you the NEW YORK OBSERVER one year, post-paid, for \$3.15.—Any one sending with his own subscription the names of NEW subscribers, shall have commission allowed in proportion to the number sent. For particulars see terms in the OBSERVER.

DOBBINS' ELECTRIC SOAP.

Having obtained the agency of this celebrated soap for Abbeville and vicinity, I append the opinion of some of our best people as to its merits. We have been using for the last 3 months the Dobbins' Electric soap, made by I. L. Cragin & Co Philadelphia, Pa., and find that it washes and cleans the clothes more rapidly and more thoroughly and is in the end cheaper than any other soap we have ever used in our family. We can heartily recommend it and a single trial will convince all of the correctness of our assertions.

WM. MOUTON, E. I. ADDISON, ARCHES YOUNG, A. LACOUR.

I desire all my friends and customers to give this splendid soap one trial so they may know just how good the best soap in the U. S. is. Give it a trial and I am sure you will use no other.
