PRICKLY ASH BITTERS

The majority of the ills of the human body arise from a derangement of the Liver, affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and sluggish action of the bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.  
Prickly Ash Bitters are especially compounded for this purpose. They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. As a Blood Purifier they are superior to any other medicine; cleansing the system thoroughly, and imparting new life and energy to the invalid. It is a medicine and not an intoxicating beverage.

THE WHITE IS KING

THE EASIEST SELLING; THE BEST SATISFYING SEWING MACHINE

Its Introduction and World reputation was the death blow to high priced machines.  
THERE ARE NO SECOND-HAND WHITE MACHINES IN THE MARKET.  
This is a very important matter, as it is a well-known and undisputed fact that many of the so-called first class machines which are offered so now-a-days are those that have been repossessed (that is, taken back from customers after use) and rebuilt and put upon the market as new.

The Whites is the peer of any sewing machine now upon the market. It is much larger than the family machines of the Singer, Howe, and Wood makes.

It costs more to manufacture than either of the aforesaid machines.

Its construction is simple, positive and durable.

Its workmanship is unsurpassed. Do not buy any other before trying THE WHITE.

Price and Terms Made Satisfactory.
