## THE CHICAGO WEEKLY TIMES

(FOUNDED 1854.)

THE OFFICIAL ORGAN OF THE

WORLD'S FAIR

AND

THE GREATEST AND MOST

POPULAR EXPONENT OF

MODERN DEMOCRACY

IN THE UNITED

STATES.

AN AGRICULTURAL AND P. LIT-

ICAL WEEKLY ALL IN ONE.

\$1.00 PER YEAR

New conditions surround the farmer with  
widens duties. He now, less than formerly,  
can without reproach disregard his  
obligation to seek to prepare himself and  
his family for their political as well as  
their civil duties, and for whatever is  
essential to good, wise citizenship.

THE CHICAGO WEEKLY TIMES  
REPRESENTS THE PEOPLE.

No question of national importance—  
and all political and economic questions  
of moment are national ones—begins in  
congress. They are canvassed and discussed  
by the people and press, and when they  
reach congress that body has merely the  
details to consider. THE CHICAGO  
WEEKLY TIMES has become the recog-  
nized leader of the great plain people—the  
bone and sinew of the commonwealth and  
the hope of the American republic. Its  
editorials are broad, national, eloquent,  
convincing, and dignified, and as compre-  
hensive in the subjects treated as are the  
question of human interest.

THE CHICAGO WEEKLY TIMES  
represents all the movements of the day,  
and upon its indorsement hinges, in a  
large degree, their future, for it is broad in  
its views, liberal in its judgments, and has  
the best possible means of forming a cor-  
rect one, and knowing its duty to man, the  
country, progress, and future greatness, is  
lifted above bigotry and narrow minded-  
ness, dares perform it. To it all subscribers  
should turn for enlightenment, sympathy,  
assistance, and the nerve to carry out their  
undertakings.

In its ranks are to be found the brightest  
minds in every line. Week by week it talks  
to every subscriber of what is going on,  
brushes away the dust from the past and  
starlights the coming. It forecasts the  
future and forewarns against disaster. It  
is a matchless scrap book of knowledge for  
the farmer, mechanic, lawyer, doctor, and  
all good citizens.

Without the requirements of wading  
through pages of irrelevant matter THE  
CHICAGO WEEKLY TIMES gives to its  
readers the sifted grains of thought, history,  
science, and all a glance; makes every reader  
a cosmopolite, and brings the entire wealth  
of the world to his very door.

It gives more for the money than any  
other weekly paper in America. It is bright,  
entertaining, and valuable—good for the  
whole family.

Its world's fair news is the most complete  
and reliable.

It is a bureau of information for its sub-  
scribers, answering anything desired.

Its agricultural department contains the  
best from all sources.

It asks every intelligent man and woman  
to become a subscriber, because it stands  
up for the rights of the down-trodden, the  
oppressed, and the weak against the strong;  
being unawed by influence and unbribed by  
bain, and besides giving the best of every-  
thing from a literary standpoint, is pledged  
to religion, liberty and law.

HEART DISEASE 30 YEARS.

GRAND ISLAND, NEB., April 8th, 1892.

Dr. Miles Medical Co., Elkhart, Ind.

GENTLEMEN: I had been troubled with HEART  
DISEASE FOR THE LAST 30 YEARS, and although I  
was treated by able physicians and tried many  
remedies, I grew steadily worse until I was com-  
pletely prostrated and confined to my bed  
WITHOUT ANY HOPE OF RECOVERY. I would have  
very bad sink and stop beating altogether.  
The greatest difficulty that my circulation could  
be at THOUSANDS would bring  
back to consciousness again. While in this condi-  
tion I tried your NEW HEART CURE, and began  
to improve from the first, and now I am able to do  
a good day's work for a man 68 years of age. I give  
Dr. Miles' NEW HEART CURE all the  
credit for my recovery. It is over six months since  
I have taken any, although I keep a bottle in the  
house in case I should need it. I have also used  
your NERVE AND LIVER PILLS, and think a  
great deal of them.

SATISFACTION GUARANTEED  
OR MONEY RETURNED.
