Do You Want to Stop Tobacco?

You can be Cured while Using it.

The habit of using tobacco grows on a man until grave diseased conditions are produced. Tobacco causes cancer of the mouth and stomach, dyspepsia, loss of memory, nervous affections, congestion of the retina, and wasting of the optic nerve, resulting in impairment of vision, even to the extent of blindness, dizziness, or vertigo, tobacco asthma, mighty suffocation, dull pain in region of the heart, followed later by sharp pains, palpitation, and weakened pulse, resulting in fatal heart disease. It also causes loss of vitality.

QUIT, BEFORE IT IS TOO LATE.

To quit suddenly is too severe a shock to the system, as tobacco—to an inveterate user, becomes a stimulant that his system continually craves. "Bacco-Cure" is a scientific and reliable vegetable remedy, guaranteed to be perfectly harmless, and which has been in use for the last 25 years, having cured thousands of habitual tobacco users—smokers, chewers and snuff-dippers.

You can use all the tobacco you want, while taking "Bacco-Cure." It will not injure you when to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with 10 per cent interest.

"Bacco-Cure" is not a substitute, but a reliable and scientific cure—which absolutely destroys the craving for tobacco without the aid of will power, and with no inconvenience. It leaves the system as pure and free from nicotine, as the day you took your first chew or smoke.

Sold by all druggists, at \$1.00 per box, three boxes, (thirty days treatment, and guaranteed care,) \$2.50, or sent
