

FOR ALL WOMEN

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

McELREY'S Wine of Cardui

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefitted by it.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."

The Toledo Weekly Blade.

Every intelligent family needs in addition to their local paper, a good national weekly. The greatest and most widely known general family newspaper is the Toledo Weekly Blade. For thirty years it has been a regular visitor in every part of the Union and is well known in almost every one of the 70,000 post-offices in the country. It is edited with reference to a national circulation. It is a Republican paper, but men of all politics take it, because of its honesty and fairness in the discussion of all public questions. It is the favorite family paper, with something for every member of the household. Serial stories, poetry, wit and humor; the Household department, (best in the world) Young Folks, Sunday School Lessons, Talmage's Sermons, the Farmstead, the Question Bureau (which answers questions for subscribers) the News of the Week in complete form, and other special features. Specimen copies gladly sent on application, and if you will send us a list of addresses, we will mail a copy to each. Only \$1 a year. If you wish to raise a club, write for terms. Did you Get your Texas Lands?

I know of over a million acres of land in Texas awaiting the rightful owners to get it, and if you ever had relatives or kindred who went to Texas, write L. Fulton, attorney, Denton, Texas, and he will inform you free, if you own any land in Texas.

Nearly all persons who went to Texas in an early day had lands granted to their heirs. L. Fulton also collects for wholesale houses and others all over Texas, and does the largest business in Texas.
