BIG SHIP IN DOCK.

After releasing the steamship Jacob Bright Saturday, upon the completion of the work on that boat, the larger dock of the New Orleans Dry Dock and Shipbuilding Company undertook a task Sunday that was watched with considerable interest by those connected with the steamship business of the port when the steamship Greenbrier of the United Fruit Company's fleet, a vessel of 4,500 tons was taken in, preparatory to being given a general overhauling. The fact that the boat was to be taken in on Sunday drew many down to the river's edge to watch the operation. The big ship was taken in without a hitch and raised as easily as though it were a tugboat.

THE HERALD PRIZE CONTEST FOR THE GAY MASKERS.

Twenty Prizes or More To Be Offered on Mardi Gras Day By the Advertising Merchants of The Herald.

GIVEN AWAY TUESDAY, FEB. 28th, (MARDI GRAS) AFTERNOON FROM THE PLATFORM IN FRONT OF HERALD OFFICE.

Merchants Contribute Generously--Prizes for Almost Any Kind of Maskers--Everybody Turn Out and Have a Good Time--Bring Your Bands and Tin Horns.

We expect this year to make the Herald Prize Contest for Mardi Gras Day a much greater success than it was last year, if this is possible. A great many more prizes will be offered and a better arrangement is now contemplated in awarding the prizes. A platform will be built in front of The Herald office upon which the different characters will stand when the prizes are awarded so that the big crowds will be able to see them without undue crowding. Already we are in receipt of a great number of prizes.

The firm of Grossman-Weinfeld Millinery Co. have donated a fine \$5.00 Spring hat; Mayer Israel & Co. have offered a gentleman's hat, while Chas. A. Kaufman Co., Ltd., is donating a fine silk umbrella. Mr. Jos. Tallon is going to remember a male masker with a quart bottle of Harmony Club Rye. We are in receipt of a letter to-day from Mr. Bloom, of the Economy Skirt Co., 1620 Dryades street, in which they offer to a lady wearing the best hobble skirt effect, a fine \$5.00 skirt, to be selected from among the many hundreds they have in stock. Mr. Bloom says in his letter: "We are very much interested in your Prize Contest for local maskers in Algiers and we believe this should be encouraged, and in order that we may aid our mite, we are pleased to donate one of our fine \$5.00 skirts." Mr. Louis G. Webert, dry goods merchant, donates a half dozen pair of stockings, while Mr. Frank C. Duvic gives an oil heater, and John Lafitte Co., Ltd., who are always on the lookout for the stomach, have donated a fine ham. Mr. Joe Renecky, of the Renecky Shoe Store, gives a pair of shoes; Mr. J. E. Huchins will furnish for one of the maskers sufficient wall paper to paper a room. Mr. John P. Vezien, who also looks after the appetite, has donated a box of spaghetti, while Peter Rupp, our popular druggist, who looks after the welfare of the young miss, donates a half-pint bottle of Honeysuckle perfume; our enterprising Jules Bodenger gives to one of the maskers a high-grade porcelain enameled washstand.

These are only a few of the prizes that are offered to date, and The Herald expects by next issue to have the full number of prizes, which we hope will reach twenty-five or more.

These prizes are offered in The Herald Prize Contest by the advertising merchants of The Herald. The full particulars of the Contest will be published in the two issues prior to Mardi Gras so that there will be no misunderstanding as to how the prizes will be awarded.

PRESBYTERIAN NOTES.

The Rev. Dr. J. C. Barr preached at Algiers Presbyterian Sabbath school, Pythian Hall, Sunday last, to the largest gathering that has ever been in the history of the school. During the past three months the attendance has increased wonderfully.

The Spirit of God is in the work of the school where young and old are most cordially greeted and invited to come and learn of Him whose yoke is easy, whose burden light.

Dr. Barr will preach again the last Sunday in February, Sabbath school every Sunday at 3:30.

It's Better Farther On.

Art thou tired of life's brief journey?
Art thou weary of the way?
Are the shadows of each morrow dark as those of yesterday?
Does it seem no sun is shining?
Does it seem all hope is gone?
Ah! Be patient, weary traveler,
It's better farther on.

Has some trusted friend deceived thee?
Are the joys of other years
Burning on the memory threshold—
filling thee with undream'd fears?
Cease those "worry-thoughts" my brother—
Fearing heart has never won;
Trials are the husks of blessings—
It's better farther on.

What if loved ones have deceived thee?
What if ev'ry hope seems gone?

MOUNT OLIVET NOTES.

The services last Sunday were conducted by our estimable lay reader, Mr. Lea J. Burton, and were very well attended. The train being a little late the rector arrived just in time to give the benediction at the close of the evening service.

Leaving on Friday morning accompanied by his little daughter Emily, the rector went to Buras, holding service that night in the little chapel; the next morning they left for Orange Farm and crossing the river in the dense fog in a gasoline boat they came to Grand Prairie; service was held in the chapel that night. Sunday morning after a ride of eight miles in a gasoline boat again in the dense fog, they reached Union Settlement. Service with celebration of the Holy Communion was held at 10:30 a. m., and crossing the river in a skiff, after a ride of five miles they reached a school house and again service was held and the infant son of Mr. and Mrs. Florence Menge was baptized, the name Carroll Douglass being given him. Taking the evening train Algiers was reached about 8 p. m. It was one of the most pleasant missionary journeys in our experience. Large congregations in each place; pleasant weather and no mosquitoes.

As next Sunday will mark the beginning of the tenth year of the present rector's incumbency, he will give a few items of interest to the congregation at the evening service, which it is hoped will be a large one.

It was a pleasure to note so many of our girls from Algiers taking part in the class play and on the stage in the program offered by the Girls' High School graduation class 1911, last Tuesday night.

Attention is called to the notice elsewhere in this paper to the annual

The Kimball Player Piano

Artistic excellence and durability in the Kimball Piano have been the aim in manufacturing this world-renowned instrument. The Kimball 88-Note Player mechanism adds the one feature which makes the instrument a complete unit and available for every member of the family. This player mechanism has been developed to give the utmost facility of interpretation of the music played, thus giving an individuality to the performance and removing it from so-called automatic music. The tempo lever gives absolute control of the time. The pedals, sensitive and responsive to a marvelous extent, not only supply the motive power, but by slight movement, or pause, produce the louder and softer effects so essential to the adequate expression of music, and varied at the will of the operator.

masquerade dance that is being gotten up by the men of the congregation, with, of course, the assistance of the ladies, for the benefit of the parish, and will be given on the night of Friday, February 17th, at the Pythian Hall. A good time is assured to all who attend.

The regular monthly meeting of the vestry will take place to-night at the rectory at 7:30 o'clock.

Word has been received that the Rt. Rev. Davis Sessums, D. D., bishop of the diocese of Louisiana, will be present with us on the night of the second in Lent, it being the 12th day of March, and that he will both preach and confirm the class that has been preparing.

There will be a second celebration of the Holy Communion on Sunday, being the first Sunday in the month.
