Algiers Baseball League.

The Algiers Baseball League is now under way of being formed. It is the wish of the promoters to have as many teams as possible to join this league and to have it as strong as possible.

Algiers has a good number of baseball players, who should come forward and give all their assistance in making the league of 1911 a success.

Such a thing as a baseball league was experimented with in Algiers around the latter part of last season and it was easily concluded that a much stronger and larger league could be formed this season, with the assistance of the lovers of the sport.

Any person who wishes to form a team and enter it in this league is asked through this medium to make application as soon as possible, so as to learn of the plans of the promoters.

BELLEVILLE SCHOOL.

Mr. Bauer's Lecture on Our Country.

A new departure in school practices is the giving of illustrated lectures to children. Those given at the Belleville so far have been delivered by fine speakers, thorough masters of their subjects and the illustrations, in colors, have not only been beautiful, but have emphasized the points most pleasantly to the listeners.

The series began last May, when Dr. Walker, the well-known specialist, told about the teeth, their care and formation; this year, by Mr. Bauer, assistant superintendent, in his talk on "Our Country." The children listened, spellbound, as the beautiful stories were told and the fine pictures passed over the screen.

Little Miss Hilda Hantel thanked the lecturer for the pleasure he had given and expressed the hope of seeing and hearing him soon again.

Mr. Estopinal's Kind Remembrance.

Each year, our member of Congress, the Hon. Albert Estopinal, remembers the school children of this district and, by the cooperation of our teachers, helps to give the little ones a taste of the pleasures of country life insofar as a garden is concerned. Large bags of seeds, vegetable and flower, come in spring and every child who promises to bring a specimen of the plants he may raise from them to the "shows" that occur at the test season, is given what he says he can use. The teachers give instruction in the three great needs of plant life, good drainage, fertilization and proper exposure to the sun and the little ones learn from the best school, experience's, the right and the wrong way to do. Among the vegetable seeds distributed were peas, beets, collard, lettuce, radish, turnips, etc. Among the flower seeds were dianthus (pinks), echscholtzia (California poppy), nasturtium, poppy, zinnia, calendula, portulaca, etc. Daily reports of the growth of the plants are encouraging, and it is hoped that the plant show of spring, 1911, will outshine those of the last two years.

Jefferson Davis' Monument Unveiled.

February 22, the schools closed for half a day, that the pupils might attend the unveiling ceremonies attending dedication of the statue to be placed at the intersection of Canal street and Jefferson Davis Parkway (formerly Hagan avenue). Among the features of this pretty Confederate ceremony the most attractive is that furnished by the school children. They sat on a platform in special places, assigned them, each wearing a dress whose colors assembled and placed, formed a Confederate flag. They sang two stanzas of Dixie and the first and last stanzas of America. The following named constituted the delegation from the Belleville School (all being within the required height limit of from 4 feet 4 inches to 4 feet 7 inches). Thelma Moffet, Evelyn Brune, Gladys

Butcher, Margaret Dilzell, Helena Ehlers, Rita Rousselot, Clair Wilson, Martha McNeely, Gladys Schroder, Izetta Meyers, Annie Curran, Gertrude Finley, Inez Clement, Edna Gerret, Lillian Hoke, Cecelia Castrogiovanni, Bessie Pyle, Berenice Williams, Elvira Leonard.

ANNUAL SPEED CARNIVAL.

New Orleans, La., Feb. 18.—(Special).—The third annual Mardi Gras speed carnival will be run at the Fair Grounds track in New Orleans beginning next Saturday, Feb. 25, and continuing through the 27th. In conjunction with the races an automobile show will be conducted in the grand stand building, the show opening Friday at noon and remaining open during the race meet.

For the motor car show twenty-eight dealers have bought space. Three motor boat exhibits and eight accessory exhibits have also been contracted for, while several applications for space have been refused because all available room has been sold.

The races have drawn the largest entry list on record for a mile track meet. No less than twenty-five cars have been entered while the probability is that five more cars will be named before the meet. Robert Burnham and Arthur Chevrolet will enter with Buicks. The list follows: John Aitken, in a National.

Lewis Strang, Louis Larssonneur and Will Jones, with three Cases. Caleb Bragg, with the 90 horse power Fiat Cyclone.

Louis Disbrow, with two National cars. He will probably have a racing partner. Harry Endicott, with two Cole cars. He will probably have a partner.

Fred Belcher, in a Knox. Frank Kulick and partner, in Fords. Walter Donnelly, in a Cino.

A. J. Maisonneville, in a Corbin four. T. S. Doby, in a Midland six. John S. Ireland, in a Midland four.

H. B. Pennebaker, in a Stearns 90. S. L. Speer, in a Jackson. James Benzie, in a Jackson. Harry Cohen and Witt, in two E. M. F. cars.

John Walker, in a Marquette-Buick. David Besuden, in a Buick special. Ellis Joubert, in a Ford.

Jack Tower, in a Warren-Detroit. Bob Evans, in a Warren-Detroit.

In addition to the automobile races two motorcycle races will be run each day. In these events the cracks of America will compete. Those entered to date are: Arthur Mitchell, of Los Angeles; A. G. Chapple, of Boston; Robert Stubbs, of Birmingham; H. G. Baker, of Indianapolis; Oscar Clarke, of Dallas, Texas; Edward Hasha, of Dallas, Texas; Roy Wickline, of San Antonio; and Val Jansen, of New Orleans.

The meet and show is under the personal direction of Homer C. George, who has entire charge of the management. This is the third year in which the Mardi Gras races have been given though it is the first show ever attempted in New Orleans. All the dealers are enthusiastic over the prospects, while nothing like it has ever been seen for mile track racing.

Belleville Social and Pleasure Club To Entertain.

On Saturday, April 25, Pythian Hall will be the scene of a masquerade and fancy dress soiree given by the Belleville Social and Pleasure Club for the proposed Algiers Baseball League of 1911. The club has worked hard and diligently to make this affair a big success and from present indications their efforts will be crowned with victory.

The Reliance Band has been hired for the occasion and an enjoyable time is promised. The following committee has the soiree in hand: Chas. Durand, chairman; H. Dietrich, ex-officio; P. McGivney, E. McCloskey, W. R. Durand, O. Lindquist, R. Baudier, W. Lawrence, J. Gerrets, J. Ketchum, J. McCloskey, W. Loughlin, R. Schroder and J. Bennett.

BAPTISMS.

The following baptisms took place Sunday at the Church of the Holy Name of Mary:

Dorothy Alberta Weidman, daughter of Thelo Weidman and Katie Fox. Sponsors, Jacob Leuff and Bertha Ruprich.

Thomas Lawrence Baratina, son of Lawrence Baratina and Agnes Bealer. Sponsors, John Ghradell and Mrs. Mike Bealer.

William Bruce North, son of William Bruce North and Elma Thibaud. Sponsors, Ben. Giblin and Louise Thibaud.

DR. J. C. BARR TO PREACH SUNDAY NEXT AT THE PYTHIAN HALL.

Next Sunday being the fourth Sunday of the month, the Rev. Dr. J. C. Barr will preach in the above hall at 3:30 o'clock. Dr. Barr has many friends in Algiers outside his congregation, and no doubt they and their friends will turn out in great numbers to hear him preach Sunday next.

Possibly Dr. Barr will have something to say about the \$20,000 bequest by the late Mr. W. R. McKowen to the Presbyterian Hospital, news of which was received by him Monday morning last.

Dr. Barr states that Mr. McKowen, whom he knew very well, was one of the staunchest members in the Presbyterian church, a man of exemplary character, and greatly beloved in his community.

Mr. McKowen had shown a deep interest in the movement to establish the Presbyterian Hospital, and his bequest is a substantial expression of that interest.

WILL CELEBRATE ST. PATRICK'S DAY.

The St. Patrick's Day celebration in this city, as usual will consist of a religious celebration in the morning at the Church of the Holy Name of Mary, when the members of the order and the Ladies' Auxiliary will attend in a body the solemn high mass at nine o'clock. A special sermon will be preached for the occasion.

The members of the order residing on the other side of the river will assemble at the ferry landing, head of Canal street, at 8 a. m. Friday, March 17, wearing badges, and take the ferry for Algiers, where the members of Division No. 9 will be in waiting, when under the marshalship of Col. John P. Sullivan, State President, the entire body will march to the church.

In the evening a banquet will be held at Hotel Tranchina, West End.

THOMPSON-BELK.

At the residence of Rev. J. W. Booth, Vallette street, Friday, Feb. 17, 1911, at 7 p. m. in the presence of a few friends, Miss Calla C. Thompson, of this city, and Mr. J. T. Belk of Glenhows, Texas, were joined in the holy bonds of matrimony. Owing to the absence of the bride's father, which was unavoidable, it was decided that they would make no display.

Miss Calla C. Thompson is the eldest daughter of Capt. and Mrs. C. A. Thompson, a valued employee of the U. S. Government, Mr. Belk having met her in Gulfport, Miss., where Miss Thompson formerly resided and has a host of friends.

Mr. Belk is a popular young man of Northeast Texas and also an employee of Uncle Sam.

ALGIERS LEVEE LINE.

The members of the Orleans Levee Board Thursday made an official inspection of the levees in Orleans Parish on the right bank of the river, (Algiers), from the Jefferson Parish line to the Plaquemines Parish line, those on the trip being President Jules C. Koenig, J. F. Muller, George S. Smith, J. P. Veziin, Chief Engineer Sidney F. Lewis, Attorney Bernard McCloskey, Secretary Peter Muntz and Assistant Engineer Davis. It took them seven hours to cover the ground, the trip being made in automobiles. In view of the approaching high water the board desired to be thoroughly informed at first hand as to the condition of the levees. The result of the inspection was satisfactory.

MRS. DOLBY'S WOE

Confronts the Deacon With His Doings.

CIDER DANCE AT THE BARN.

Scandal Defers Putting a Patch on Dolby's Trousers—While He Reads About Bees She Prepares to Die—No Tears, She Relents.

By M. QUAD. [Copyright, 1910, by Associated Literary Press.]

DEACON DOLBY had been told at the supper table that if he wanted a patch put on his trousers—the patch he had spoken of a week before—he would have to go to the store and get a spool of coarse linen thread. He nodded his acquiescence and departed, while Mrs. Dolby started in to clear away the table and was singing the hymn "There Is Joy Over There" when he left.

The deacon figured on half an hour for the thread and an hour for the

PREPARATIONS FOR SUICIDE.

patch, but the village wall was late, and it was an hour before he reached his own gate again. The house was in darkness. There was no singing. The cat sat on the steps of the kitchen door and meowed dismally.

Deacon Dolby was not alarmed. There was the well pump, and there was the dipper on its nail, and he pumped himself a drink of water, petted the cat for a moment and then entered the dark house and lighted a lamp. He did not call upstairs or down cellar. He did not look under the table or the bed. He had brought from the postoffice a circular on bee raising, and he sat down at the table and pulled off his shoes and began reading.

When three minutes had passed there was a long drawn groan. In two minutes more there was another. Then came a moan like a November gale sweeping over a farm under a \$1,500 mortgage.

The deacon heard, but he was not disturbed. He was reading that honeybees were divided into two classes, the workers and the drones, and that the workers were soft marks for the drones, the same as in human life. Eskimos and Tobacco.

The Eskimos will not allow their women to use tobacco in any form.

PUBLIC SCHOOL HOLIDAYS.

Superintendent Gwinn of the public schools announced Tuesday that the schools will be closed for half a day Friday to permit the children to view the Elks' parade. This was authorized by the School Board on request of the Elks. The evening schools will be closed Thursday night, on account of the Momus parade, and Monday and Tuesday nights. There will be a session Friday night.

Assistant Superintendent Bauer received a quantity of buttons bearing a picture of the Davis monument. The buttons were distributed as souvenirs to the school children taking part in the unveiling ceremonies yesterday.

GIVES HANDSOME PRIZE.

One of the handsomest prizes donated for the Mardi Gras maskers comes from J. Creighton Mathewes, our furniture dealer. The prize is a handsome, imported, hand painted table, framed, incased in another glass covered ebony case. It is an Italian importation and not counting duty is valued at over \$10. This prize Mr. Mathewes gives for the Heaviest Gentleman masker.

MOUNT OLIVET NOTES.

The attendance upon the Men's Bible Class is increasing, and we hope to see double the number of men present at our next meeting on March 6. The hour is 8:00 p. m. sharp. The subject will be the second, third, fourth and fifth chapters of Genesis.

The Girls' Friendly Society meeting has been deferred until the second Thursday of March.

Before the next issue of the Herald appears Lent will be here, so it is fitting to make pre-Lenten announcements now. On Ash Wednesday there will be Children's Service at 8:15 a. m.; Litany and Holy Communion at 9:00 a. m., and at 7:30 p. m. the Rev. A. R. Price, who leaves the city shortly to become rector of Grace Church, Monroe, will preach the first of the Lenten sermons by visiting clergy. As heretofore there will be service at night, on Wednesday and Friday during Lent and the special preachers will visit us on Wednesday, the rector preaching on Friday on "The Sacraments and Sacramental Rites of the Church."

The sympathy of all goes out to Mrs. John Van Hess and her little ones in the death of the husband and father last Friday in Napoleonville. The interment took place on Saturday in McDonoghville Cemetery.

Despite the fact that Sunday was a very uncertain day the attendance at Sunday School was very fine, and we are justly proud of the record all are making.

The masquerade party given last Friday night was a great success. All who attended and they were many, report having a delightful time. The forepart of the evening was given up to the little folk and they certainly did enjoy sliding and dancing on the slippery floor. The later hours were given over to the grown-ups, and they too enjoyed the evening to its fullest extent.

The rector left Tuesday for his missions down the coast, returning yesterday morning, and leaving to-day for Lafayette, where he goes to attend the Convocation of South Louisiana, and will be home to-morrow morning.

The Rev. A. R. Gray, Commissioner of Endowment of the University of the South, Sewanee, Tenn., was a visitor at the rectory last Saturday. He also called upon Capt. and Mrs. W. B. Fleming to express appreciation of the gift by them to the University of the bit of cornerstone that he had carried away from Sewanee when a Federal soldier blew into fragments the massive cornerstone, which was of Tennessee marble.

Mrs. M. A. Simmes of Union Settlement was a visitor at the rectory on Friday, and with her son attended service at Mt. Olivet on Sunday night.

PREMATURE EXPLOSION.

The premature explosion of a charge of dynamite at the Aurora plantation, several miles down the coast, on Wednesday forenoon resulted in the injury of three men employed as engineers at the place, two of whom, Robert and Henry Norman, are sons of Overseer Thomas Norman. The other is, Emile Brune, of No. 540 Pacific avenue. The victims were only slightly hurt.

Information concerning the accident reached the police after 2 o'clock Wednesday night, although it was 10 o'clock in the forenoon when it occurred. The three men were preparing to blow up stumps on the plantation, and were testing a fuse, when of a sudden and for some reason not explained, there was a report, and all three were injured. Robert Norman was hurt about the left leg, and Henry Norman about the right side, while Brune was hurt about the body and eyes.

The victims were brought to the home of Dr. A. C. King by the senior Mr. Norman, and there had their injuries attended to. Upon the doctor's advice, Brune also was taken to the Eye, Ear, Nose and Throat Hospital for treatment of his eyes. All were afterwards taken to their homes.

CARD OF THANKS.

The Committee of Arrangement having in charge the Masquerade Party for Mount Olivet Church, given at the Pythian Hall last Friday night, desires to return thanks to all who in any way assisted in making the affair the social and financial success that it was. As the names of those assisting is legion, it would be invidious to mention them, but the committee expressly desires to thank the representatives of the press for repeated and kindly mention.

(Signed): THE COMMITTEE OF ARRANGEMENT.

NEW SESSION BEGINS.

The new session begins Feb. 13, 1911. Parents are urged to enter their children now as the work of each grade can be much more satisfactorily done if taken completely. This is especially true of children of the 1st B and Kindergarten grades.

Free vaccination may be had at the Municipal Office building (City Hall Annex) any day except Saturday, from 1 p. m. through 3 p. m. So give the child a chance by starting him now.
