

Remember We Make The Best Ice Creams!

Why We Make The Best?

Because it is cooked and has no artificial ingredients.

It is made of the pure fresh cream, fresh cracked eggs, highest grade sugar and the pure vanilla bean. DOCTORS RECOMMEND IT.

Statistics has proven that you cannot kill germs by freezing but you can by boiling. Hence our ice cream is cooked.

For Those Who Want Quality and Not Quantity

SOLARI'S

Could go on enumerating hundreds of Table Foods that every day enter into consumption that many well-meaning housekeepers can see no difference, because they buy by the label or the eye, and not by test. So, when any of your friends tell you Solari is too high, just remind them that quality is always a little higher, because it takes time, intelligence and care to produce quality, and as Solari's

IN USED PIANOS AND PLAYER PIANOS.

For a Few Days Only

We need the room and they've got to go regardless of value.

The daily arrival of our new Spring Stock of Pianos and Player Pianos is so crowding our house or warehouses that we are compelled to sacrifice a number of high-grade used pianos to secure the necessary exhibition space. Never before have we had such a large collection of such instruments, and possibly never again will such an opportunity present itself to buy on such terms and at such prices.
