For a Few Days Only
We need the room and they've got to go regardless of value.
The daily arrival of our new Spring Stock of Pianos and Player Pianos is so crowding our houses or warehouses that we are compelled to sacrifice a number of high-grade used pianos to secure the necessary exhibition space. Never before have we had such a large collection of such instruments, and possibly never again will such an opportunity present itself to buy on such terms and at such prices.

FALLS THROUGH WINDOW.
Norris Nolan cut his right wrist severely last week while working at 4832 Carondelet street. He was standing on a barrel and, the latter overturning suddenly, he was thrown against a window sash, jagged glass slashing the wrist as it went through a pane. The wound bled profusely, and the Charity Hospital ambulance was sent for. Before it arrived, however, a neighbor had sent him to the Touro Infirmary in an automobile.
