IN USED PIANOS AND PLAYER PIANOS.

For a Few Days Only

We need the room and they've got to go regardless of value.

The daily arrival of our new Spring Stock of Pianos and Player Pianos is so crowding our house or warerooms that we are compelled to sacrifice a number of high-grade used pianos to secure the necessary exhibition space. Never before have we had such a large collection of such instruments, and possibly never again will such an opportunity present itself to buy on such terms and at such prices.
