THANKFUL THIS CHRISTMAS

To-morrow is the day when we should lay all of our cares aside, bury our ill will, and live in that feeling of "Peace on earth, good will toward men..."

Locally we may be thankful for the fact that our Naval Station is to be opened on January 1, which will bring a new industry to the many men who are in need of better employment.

Let us thank God that the "watchful waiting" policy of our President and Secretary of State have held peace for the United States during the trying ordeals of the past six months.
