NOTES FROM THE ALHAMBRA.

In order to create interest in athletic sports among the people of Algiers, the Alhambra as well as a few other clubs of our town have on foot a scheme which will be launched to promote athletics this coming winter.

The Holy Name Gymnastic Club, the Knights of Columbus and the Alhambra are considering the question of having an inter-club track meet, which will be held on Thanksgiving Day or some other date to be named later. Committees are being appointed by these three clubs to meet and decide on the events that are to be held. One of the events has almost positively been decided upon, namely, a cross-country run or road race. The start of this race is to be from the courthouse in Gretna to the courthouse in Algiers as the finish, the route to be picked out and given later. The winner of each event will be awarded a suitable trophy, and it is hoped that the young men of the town will take considerable interest in this move.

This inter-club meet will be a strictly amateur affair, and none but Algerians can compete in any of the events. Further particulars as to how to enter and when to enter will be given after the various committees have met and decided upon the events.

The Scrubs were again defeated by the Regulars on last Wednesday evening in a very fast game. The Regular team was scheduled for a game with the Behrman Gymnasium on Wednesday night, and on this account the Scrubs had a night off.

AUTO ACCIDENT NEAR BONNER HOME.

On last Sunday morning an auto accident occurred in the vicinity of the Bonner home. The car belonged to Edgar Berthaut. It seems that in trying to turn around the car had slipped into a ditch, and in trying to get out one of the occupants of the car was thrown against the seat in front. The little one, Mr. Berthaut's little daughter, Strauss, suffered an injury to her nose. She was sent to Dr. Riley, where she was treated. The machine was not badly hurt, one of the wheels being bent.

The others in the car were Miss Naomi Berthaut and her brother, Alvin, and Miss Norma Wolkart.

HIGH SCHOOLS WILL OPEN MONDAY.

The Normal School and three high schools will open Monday, Sept. 13th, when all pupils will report to elect their studies. The regular school term of 1915-16 will begin Monday, Sept. 20, when all elementary schools will open.

Superintendent Gwinn and Assistant Superintendents Bauer and Habans are busily engaged in arranging the courses of studies in the different schools, the assignment and transfer of teachers and various other matters in connection with the opening of the coming session. This work will be finished in time to permit the directing heads to superintend the registration next Monday.

The indications are the enrollment in normal and high schools and the elementary schools will be greater this year than at any time in the history of the local school system.

ALGIERS PLAYGROUND OUTING.

Over one hundred and fifty children of the Algiers Playground enjoyed themselves at an all-day picnic at City Park on last Wednesday, the guests of Mayor Behrman.

Some of the little ones had never been to a park, never been on flying horses and many who did not know our good mayor had the pleasure of doing so at the park.

The children were in charge of Miss Eola Abbott. Special cars met them at the ferry and dainty refreshments were served at the park.

The day was spent in playing games and riding on the flying horses. Everyone there said they had the best time and all join in wishing our mayor the best of health and prosperity, and may all his efforts be crowned with success in the wish of the children of the Algiers Playground.

MISS EOLA ABBOTT, Supervisor Algiers Playground.

MISS ELMA VALLETTE'S SURPRISE PARTY.

Suppose you appeared before your friends some fine morning, and they surrounded you and told you in all sincerity that you were not looking well; that, in fact, you looked as if you needed either a doctor or fresh air, but that you must have one or the other; and you chose the latter and hid yourself in desperation to a place where fresh air abounds, and you breathed lustily of this invigorating ozone until you were feeling well enough to appear before your friends without giving them a nightmare; and lastly, you returned home to show your friends that you were still amongst the living; and these friends would not allow you to come to your home, but would lead you to the H. N. G. C., and there you would find a whole bevy of pretty faces greeting you and inviting you to come in and enjoy yourself—would you not be surprised? Well, I should say yes! Well, this is exactly what happened to charming Elma Vallette. And so surprised was she as she faced her young friends and realized what they had done that tears of joy and gratitude actually rolled down her cheeks. It was a genuine surprise party, and great credit is due to Miss N. Reynolds and Raymond Curren and Mrs. J. Reynolds for organizing such an enjoyable party in such absolute secrecy. After the first moments of surprise and when the minds were restored to their normal state, the swaying sounds of a piano hidden in a corner reminded the young people of their purpose of the evening. And oh, didn't they whirl and whirl around, all happy and giggling, until the too soon arrived hour of 11! The following were present: Misses E. Vallette, G. Finley, A. Gerrets, G. Schroder, A. Reynolds, G. Butcher, N. Herbert, M. Collins, G. Robichaux, E. Tallon, M. McLean, G. Sirey, S. Olroyd, K. Hornosky, D. Labit, R. Gordon, H. Moffet, J. Hoffstetter, A. Gould; Masters H. Humphrey, R. Curren, E. Burns, A. Ryan, R. Richards, J. Charbonnet, T. Dupuis, D. Thorning, E. Finley, J. Stassi, C. Brown, C. Jordan, A. Sierra, E. Mahoney, R. Breaux, A. McGivney, G. Thorning, J. Glancy, C. Hatfield, G. Reynolds, R. Mullen, E. Perrin, V. Perrin, J. Bevans, Miss E. Mahoney, Mrs. J. W. Reynolds, Mrs. Young, Mrs. Hatfield, Miss Grace Vallette, Miss M. and M. Morse, Mrs. Umbach, Mrs. Olroyd.

DECIDED SUCCESS.

The entertainment given on Wednesday last week for the benefit of the late Mrs. Jos. Brune, at the Elmira Pleasure Grounds, was a decided financial success. The public in general as well as individuals responded nobly to the cause.

The grounds were brilliantly illuminated and presented a most beautiful sight. The ladies in charge are most thankful to all who assisted them. The spacious grounds were crowded and the splendid dancing platform was filled with lovers of the terpsicorean art.

The moving pictures were highly appreciated and the refreshments came in for their share of attention.

The handsome locket donated by Corporal Wheatley will be disposed of in the near future.

H. N. G. C. TO OPEN SHOW.

Tonight will usher in the initial appearance of the H. N. G. C. in the moving picture field, and a big surprise is in store for Algiers picturegoers who appreciate pictures that cater to the highest ideals in the line of entertainment.

Arrangements have been completed with the largest film distributors in the South and elaborate preparations are being made to insure spectacular productions as well as large comedy offerings as features.

The weather at this time is sufficiently summery to make an outdoor theatre very desirable from a standpoint of comfort. It is the intention to conduct this show in the open until winter necessitates our moving into the hall, where the show will be conducted during the cold months.

Adequate seating facilities have been arranged to accommodate a large crowd, and through the voluntary efforts of the young men in charge everything will be done to insure the comfort of our patrons.

The revenue derived will go towards the many anticipated improvements, the principal one of which is the erection of one of the largest salt water natatoriums in the South.

Max Fizman in "The Hoosier Schoolmaster" has been selected as the stellar attraction for the opening night. In selecting Mr. Fizman we have selected one of the stage's most popular actors. As he has played in New Orleans several times, no doubt many Algerians who have seen him on the legitimate stage will take advantage of this opportunity of seeing one of his portrayals on the screen. Thursday and Sunday nights have been selected as feature nights.
