### NOTES FROM THE ALHAMBRA.

The indoor team of the Alhambra journeyed across the river on last Wednesday evening to the Behrman Gymnasium, where a very exciting five-inning game was played with the Behrman Gym boys. While the game was very short, it was quite interesting, and the pitchers of both teams succeeded in adding a few strikeouts to their respective hurling records. The local boys were defeated by the Behrman team by the score of 2 to 6, and fans present seemed to think that if the game had gone two innings more the tide would have been turned in favor of the locals.

Pitcher Chris Arnos, formerly of the Moose, worked for the Alhambra, while Pitcher Solonas, of Behrman fame, worked for the opposing team. Pitcher Arnos is very anxious to do the hurling for the Alhambra permanently, and it is expected that he will play in every game with the locals.

The Behrman Boys are anxious to play another game with the Alhambra, and arrangements for this game and a game with the Y. M. H. A. are now under way.

Even though it is September, the swimming tank is always packed to its capacity nightly, and the diving contests still continue. James Tufts has perfected the "Flying Dutchman" and will be a sure contestant for the next A. A. U. diving contest in September, 1916. The "Flying Dutchman" is one of the most difficult dives known, and with a few more pointers James will have it down perfect.

### WAR ON SPEEDING—CLEANER GUTTERS—MORE ELECTRIC LIGHTS AND CUTTING OF WEEDS

The above were some of the important things that were taken up at an enthusiastic meeting of the local Civic League. After discussing many subjects that were of interest to the League, it was decided that the secretary send a special letter to Chief Reynolds complaining of the speeding jitneys on our paved streets. Another letter was also addressed to Commissioner Lafaye asking that an electric light be placed in that long stretch in the city from the L. and N. depot to the ferry house. This distance is equal to two city blocks and there is not an electric light in this stretch of ground. A letter was also addressed to Judge Alex Barras, our local street commissioner, complaining of the filth and the weeds in Pacific avenue. The Civic League believes that this street should be kept clean like all the other streets of Algiers. A special letter of thanks was sent to Mayor Martin Behrman for his kindness in entertaining the play ground children at the City Park recently.

### RETURNS AFTER NINE YEARS TO FACE MURDER CHARGE.

Conscience-stricken and longing to again enjoy the surroundings of his family, Louis Domino, an Italian, returned to the home of his father, A. Domino, Teche and Lamarque streets, Wednesday of last week, and Thursday sought the services of Attorney Richard Wingrave to defend him on a charge of murder hanging over him for more than nine years.

Immediately after conferring with his attorney, Domino asked that he be turned over to the authorities. This was done and he pleaded not guilty and was remanded without bail. Attorney Wingrave asked an early hearing.

When the killing took place Domino was but seventeen. His father conducted a business at Teche and Diana streets, and on July 19, 1906, young Domino's attention was attracted by his mother's screams. She was in their store.

Domino found John Palmer, a negro, in the attitude of striking his mother. He had already struck one blow. Seizing his father's revolver, Domino fired several shots and the negro fell dead. Mrs. Domino was nursing a baby at the time. Although the mother was seriously injured, the baby was unhurt.

Young Domino disappeared, going to St. Louis, and finally drifting to Texas. Domino is now married and his bride accompanied him here. She is determined to stick by her husband.

### IN POLICE CIRCLES.

Carvina Angelo, of 443 Cortez street, was arrested Sunday afternoon by Corporal Traub, and charged with peddling after hours. Angelo is said to have annoyed several residents of Algiers on Sunday. They complained to the police and caused the arrest of the man.

Affidavits were preferred in the Algiers recorder's court Tuesday morning by Frank Beverly, 333 Wagner street, against Myrtle Teal, Mary Teal and Rosie Schmidt for malicious mischief. According to Beverly the woman stoned his home Monday afternoon, breaking several panes of glass. Myrtle Teal was subsequently charged by the police with being under the influence of liquor and disturbing the peace. She was fined \$10 with an alternative of thirty days.

George Larkin, a negro, living in Saux Lane, was arrested by Mounted Patrolman Meyers Monday afternoon on complaint that he had robbed Charles Rockins, of 719 Newton street, of a coat. When arraigned Tuesday before Judge O'Donnell in the Second City Criminal Court, Larkin pleaded guilty and was sentenced to serve three months in the parish prison.

### BIG MASS MEETING.

The church is planning a "Get-together" meeting to be held Friday evening, Sept. 24, in the church.

The purpose of the meeting is to place squarely before the public the present status of the New Church Movement. There will be a careful statement of the amount of cash on hand and of the unpaid subscriptions. Plans for the immediate future will be discussed and a campaign launched.

A fine program is being prepared, consisting of both sacred and popular songs, of instrumental music, an interesting story, and some short, catchy talks. The last, we assure you, will not be one that is long or dry.

After the business is finished the ladies will serve refreshments in the social hall downstairs.

Now "ye loyal and true," this is—Everybody is invited. Don't forget the date, Friday evening, Sept. 24.
