Capt. H. P. McNeely and two sons, Stanton and Godfrey, of Opelousas avenue, who have been quite ill, are improving.

### EFFORT TO HAVE MARINE HOSPITAL HERE.

Mayor Behrman said Saturday that he will make a determined effort while in Washington to have the Marine Hospital removed to the Naval Reservation in Algiers. He will discuss the matter with Surgeon General Rupert Blue, who was in New Orleans recently inspecting the offices under his jurisdiction in this locality.

The Marine Hospital is located near the new cotton warehouse and is near the center of heavy traffic, which has been constantly increasing with the drift of trade in that direction. After the warehouse is running on full time there will be enormous business activity in that section.

A federal law provides penalties for the blowing of whistles or making of loud sounds near a United States hospital. This law, according to the mayor, would be violated near the present hospital. On this ground he will try to have the institution removed to the reservation.

garten Mothers' Club will be held Friday, Dec. 10th, in the kindergarten room of Belleville Annex. All members are urged to attend and all those who are interested in the welfare of the kindergarten children are cordially invited to attend and become members of the club. Arrangements for the Christmas celebration will be made at this meeting.

Miss Olga McNeely will return to her home in Covington to-day.

Mrs. John Duffy, of Delaronde street, is improving slowly from the effect of the shock and bruises which she received Sunday morning when a portion of the ceiling plaster fell upon her.

Miss Rose Mohen, of New York, is visiting her sister, Mrs. M. Waller.

Mrs. Ellen Bloom has returned from Abita Springs and will make her home in Algiers.

### MISS AMUEDO SURPRISED.

Miss Verna Amuedo, of 403 Pelican avenue, was most agreeably surprised on Friday evening, Dec. 3rd, by a number of her young friends. Miss Verna was presented with a handsome lavalliere set with pearls, the presentation speech being made by Master Edward Burns. Miss Verna responded in her usual manner. Quite an enjoyable evening was spent in dancing. Instrumental solos were rendered by Misses Esther Hebert and Verna Amuedo. Delicious refreshments were served by Mrs. A. J. Amuedo and W. F. Sadler.

Those present were: Misses A. Dilzell, U. Sadler, P. Stansbury, E. Niklaus, M. Garland, N. Keenan, F. Forrest, M. Duke, C. Platt, E. Hebert, R. Vallette, M. Sutherland, S. Olfroy, G. Schroeder, A. Gerretts, J. Hoffstetter, V. Hausknacht and V. Amuedo, Masters V. Zatarain, T. Heron, R. Amuedo, J. Stassi, A. Ryan, E. Burns, A. Dupuis, G. Thorning, D. Thorning, B. North, W. Boudreaux, Charles Brown, E. Herbert, W. Niklaus, C. Jourdan, F. Sadler and J. Arnolle.

### NAVAL STATION NOTES.

The U. S. S. Wheeling has arrived at the station for a general overhaul period, which will last about three months. Work to the amount of about twenty thousand dollars will be undertaken and will put the vessel in first-class condition for further duty in Southern waters.

The wage board of the station sat on Tuesday to give the committees a hearing on the wage question as relates to the New Orleans Station. Questions brought up during the session will be referred to the Secretary of the Navy for final action before the 1916 wage schedule is adopted.

The army dredge New Orleans, now operating at the Passes, will arrive some time in January for a complete overhaul. During this time a new dredge arm will be installed and other important work will be undertaken. The arrival of the New Orleans depends largely upon the returning of the naval dry dock to her regular position, which is necessary before any docking can be accomplished.

Pay Clerk M. A. Mackie, U. S. N., has returned to duty and assigned in charge of the general storekeeper's division.

## ALHAMBRA MINSTRELS

Gold, Silver and Bronze Medals to be Presented to Winners.

The first grand vaudeville show and entertainment to be staged at the Folly Theatre will be given by the Alhambra Gymnastic Club on Thursday, December 16, 1915. General admission, 15 cents, or two children admitted on the one general admission. No tickets will be issued and sold before the date of show. All tickets to be purchased at the door only.

The program will consist of pictures and vaudeville. A few of the stars from the famous Police Minstrel Troop will entertain with witty sayings, impersonations and the latest ractime hits. Messrs. Clarke and Arnold, the champion gymnasts of the city, will feature in acrobatic and gymnastic work. It will be remembered that these two young men were seen in our town some time ago and received abundance of applause for the excellent manner in which they handled themselves during their performance. Mr. Gerald Clarke, the larger of the two, will also give an exhibition of physical culture. Mr. Clarke is one of the best built men in the city, and his posing is remarkable and gives an insight as to what every young man could do for himself if he would only do it. Mr. Arnold, while not quite as large as Mr. Clarke, is a very hefty youngster, and their teamwork is considered excellent by professionals before whom they have worked. The talent of the Alhambra will be seen in a blackface sketch, and the local boys are doing their best to make the occasion a great success.

Last, but not least, will come the presentation of medals to the winners of the athletic events that were held on Thanksgiving Day. The winner of each event will be presented with a gold medal, and the second and third place men will be presented with silver and bronze medals, respectively.

Don't forget the date, Thursday, December 16, 1915, at the Folly Theatre. General admission, 15 cents, or two children admitted for the price of 15 cents.

### EMERSON NEW GENERAL MANAGER GRAND ISLE.

H. D. Emerson, for several years in the railroad business in the East, took formal charge of the general manager's office of the New Orleans Southern and Grand Isle Railroad Wednesday. The appointment was made by C. D. Warren, president of the company.

Mr. Emerson succeeds C. A. Carr, who two years ago resigned that office for a better position, the affairs of the general manager's office having since been handled by other officials. Mr. Emerson came from New York, but is well known in this section.

### DR. PLATT HONORED.

Dr. Robert J. Platt, a promising young physician of our town, has accepted the position as resident house surgeon at Hotel Dieu, where his many friends trust that he will continue to meet with success. Dr. Platt is a graduate of Tulane and served a term as interne at the Charity Hospital. He is a native of Algiers, the son of Mr. and Mrs. George Platt, of Verret street, and enjoys the esteem of a wide circle of friends.
