THE FAMILY GROCERS

COUPLE ARRESTED; WILL BE DEPORTED.

Charles Goyena, alias Carlos Collians, and his wife, Martha, are being held at the Immigration Station, to be deported upon orders from immigration headquarters at Washington.

The couple arrived in New Orleans Monday afternoon from Porto Barrios, Guatemala, from which port they embarked after a trip from Guatemala City. On the boat they were known as Mr. and Mrs. Collians, and shortly after they had disembarked a message was received from Washington instructing that they be held and deported. The case was turned over to Inspector Vincent, who asked the assistance of the police. Detective Olbitz was assigned to work with the inspector, and the pair traced the couple through the delivery of their trunks to the De Soto Hotel, where they were registered under the name of Goyena.

At police headquarters the couple declined to discuss their arrest, though Goyena admitted that he had trouble in Guatemala City New Year's night. He is understood to have been a member of the bodyguard of President Estrada Cabrera of Guatemala. The couple was later transferred to the Immigration Station.

Captain John Mayo, who is in charge of the Immigration Station, stated that he had no information as to the charges against the couple. "My orders came from Washington and were simply to hold and deport them," said he. "I want to compliment the officers on their good work and to thank the police for their assistance."

President Barrett spoke in regard to Hon. Martin Behrman, and of his kindness shown and many favors extended to the people of Algiers, through him, and requested that his many friends and members of the club endeavor to roll up a big majority in favor of the candidates he is endorsing in the primary election, in order to show their gratitude and appreciation.

After thanking all present for attending the meeting and inviting them to participate in the parade and mass meeting to be held on Saturday, January 22nd, meeting was adjourned, and all present retired to the gallery, where luncheon was served amidst the tuneless strain of Saunfield's Orchestra.

PLANS FOR ROAD COMPLETED.

City Engineer Payne stated Thursday that plans and specifications for the new gravel road through McDonoghville to connect the road in Brooklyn pasture with verret street, Algiers, had been completed and that bids for the material would shortly be asked. Approximately 4000 yards of gravel will be necessary to do the work. The route will be the same as that of the road now generally used. Mr. Payne also said that he is satisfied with the progress that is being made by the contractors on the water works system, more favorable weather conditions helping them now.

THIEVES ROB ST. ANTHONY'S CHURCH.

Thieves were busy in McDonoghville last week. They visited St. Anthony's Catholic Church, where they broke open the tabernacle, presumably in search of valuable chalices or other articles, but they were foiled as none were to be found. They also broke into the contribution boxes, but it is believed nothing was found there, as the receptacles had been emptied of their contents shortly before. Mrs. Jolly, who tends the church, believes that the thieves hid themselves in the confessional as she made a thorough search of the edifice before locking it for the night.

FOURTH PRECINCT DEMOCRATIC CLUB.

On Friday night, January 17th, the Democratic Club of the Fourth Precinct was organized at Reneek's Hall. Acting President John A. Barrett requested that the club commence business by electing permanent officers, and in compliance with his request the following officers were elected by acclamation:

John A. Barrett, president; Thomas McGivney, first vice president; Messrs. A. J. Babin, M. D., Frank M. Duffy, Henry Acker, Edward Lilly, Frank E. Henning, Frederick Herbert, James R. Crombie, Edward J. Curran, Andrew P. Abascal, Emile A. Bohr, Christopher Herbert, John Ryan, William Lauman, Charles Hoffstetter, John E. Herbert, Jos. W. Lennox, Frank Castrogiovanni, Charles D. Martin, John P. Nolan, George Nelson, W. H. Ward, Robert F. Schwauer, Chas. O. Roome, Sr., Thos. Richardson, Thos. U. Buchholz, Sr., vice presidents; Walter R. Durand, secretary; John Henry Vezien, treasurer; Walter Dilzell, grand marshal, and James Curran, sergeant-at-arms.

President Barrett introduced Mr. James O'Connor, of the Fifth Ward, who made a very interesting and instructive speech. His praise for the Democratic party and its leader, Honorable Martin Behrman, was the subject of much applause by all present. The club offered Mr. O'Connor a rising vote of thanks for coming over to the meeting, as well as to show their appreciation for his many complimentary remarks to the Democratic party and its supporters.

Mr. Charles Henricks was the next speaker introduced. He gave a brief but interesting talk, denouncing prohibition in any shape, manner or form, and pledging his support to any and all questions for the good and welfare of the labor organizations.

The following resolution was read by Mr. Henry Acker and adopted by the club:

"Be it resolved, That the Democratic Club of the Fourth Precinct, Fifteenth Ward, does hereby endorse the candidacy of Hon. Ruffin G. Pleasant for governor, Hon. W. T. Christy for state senator of the seventh senatorial district, Hon. John Fitzpatrick for state tax collector of the Parish of Orleans, Hon. Andrew H. Wilson for judge of the Juvenile Court, and does hereby pledge the earnest and hearty support of its membership to insure the overwhelming victory of these candidates at the primary election which shall be held Tuesday, January 25, 1916."

A committee of five, consisting of the following gentlemen, George W. Foster, John Schroder, Dave Murtagh, John A. Herbert and Foster Olroyd, was appointed by the president for the purpose of conferring with the presidents of the several precinct clubs, Fifteenth Ward, on matters pertaining to parade and general mass meeting.

President Barrett spoke in regard to Hon. Martin Behrman, and of his kindness shown and many favors extended to the people of Algiers, through him, and requested that his many friends and members of the club endeavor to roll up a big majority in favor of the candidates he is endorsing in the primary election, in order to show their gratitude and appreciation.

After thanking all present for attending the meeting and inviting them to participate in the parade and mass meeting to be held on Saturday, January 22nd, meeting was adjourned, and all present retired to the gallery, where luncheon was served amidst the tuneless strain of Saunfield's Orchestra.

Get Good Impression of Your Town by Reading Home Newspaper

SYNCHRONIZE YOUR HOME NEWSPAPER!
"Knowledge is power," the bard tells us. No one can hope to become a USEFUL CITIZEN and an INFLUENTIAL MEMBER of a community without first familiarizing himself with the things that are going on about town. To be a MEMBER one must KNOW THINGS.

ALL GOOD CITIZENS ARE FAMILIAR WITH THE DETAILS OF TOWN AND COUNTY GOVERNMENT. THEY ARE AWARE OF THE CONCERNED EFFORTS BEING MADE BY THE BOARD OF HEALTH TO SECURE NEW ENTERPRISES, TO INDUCE FOREIGN CAPITAL TO INVEST IN THE CITY AND TO START SMALL MANUFACTURING PLANTS—THOSE THAT EMPLOY SKILLED WORKMEN, PAY GOOD WAGES AND BRING USEFUL CITIZENS TO THE CITY.

ALL GOOD CITIZENS must be aware of the erection of new enterprises. They must know of all real estate transactions—their value, the seller and the price. They must be able to show the value of real estate in his home town. To be a useful member of the town in the outside world. One must lend a hand to movements which will better the town from an economic, civic, social and educational standpoint.

THE ONLY WAY TO GAIN THE NECESSARY INFORMATION TO BECOME A USEFUL CITIZEN. THAT IS BY READING THE HOME NEWSPAPER. IT IS THE DUTY OF EACH NEWSPAPER READER FOR THE BETTERMENT OF THE COMMUNITY AS A WHOLE TO INVEST IN THE HOME NEWSPAPER. THIS DUTY IS LARGELY PERFORMED BY THE DISSEMINATION OF USEFUL INFORMATION TO THE CITIZENS.

From the home paper one learns of new enterprises, of capital investments, of the arrival of new citizens, of the erection of new buildings, of improvements made by the county authorities and of all things which afford to be without the HOME NEWSPAPER WHICH COSTS BUT A FEW CENTS A WEEK?
