#### STAY AT YOUR WORK AT NAVAL STATION.

Secretary Josephus Daniels sends a telegram to local station urging all men employed there not to join military organizations, but to remain at their work where their services will be needed. He also calls attention to the fact that it will be just as patriotic for the men to remain at their work as to join the militia.

The telegram follows:

June 24, 1916.

To Navy Yard, New Orleans, La.

Use every effort to prevent loss of men through militia duty, it is equally a patriotic duty for employees at Navy Yards to remain at their work; their services to their country in this capacity is as important as if they were really in the field. To cripple the navy yard at this time is an unpatriotic act. Post this telegram on all bulletin boards.

(Signed) JOSEPHUS DANIELS.

#### REDUCE PRICE OF SHARES.

At the regular meeting of the Alhambra Gymnastic Club held on Wednesday last, it was decided to have the charter amended so as to make the shares of stock \$10 a share instead of \$50 a share. The purpose of this change was to give the young members of the club an opportunity to own a share of stock, so as to create a greater interest in the club. Those now holding stock in the club will receive 5 shares of stock for each share they hold at present. The house committee for the ensuing year was also appointed as follows: Wallace Lampton, chairman; Remy Charles, George Peterson, Richard Nichols and Adolph Spitzfaden. Mr. Frank Killen, Charles Ciantat and Albert Twickler were appointed as committee of appraisers for the property of the club in order that the book value of the club be ascertained to facilitate the reissue of stock. The finance committee of the club had a meeting Sunday morning.

#### RECEIVER TAKES CHARGE OF ALGIERS RAILWAY.

D. Emerson, general manager of the New Orleans Southern and Grand Isle railway, assumed charge of the Algiers Railway and Light Company properties as receiver appointed by Federal Judge Rufus E. Foster. Emerson qualified Friday morning. It is understood that receivership was asked to protect the interests of the stockholders. The Algiers railway is controlled by the Grand Isle and Mr. Emerson will operate both properties.

#### ALGIERS SALOONKEEPER MAY LOSE HIS LICENSE.

For the second time within a year, Theodore Loyacano, proprietor of a barroom at 1001 Elmira street, Algiers, pleaded guilty in the Juvenile Court Wednesday morning of selling liquor to a minor. Judge Wilson deferred sentence until Thursday.

As is customary, it is probable that Judge Wilson will fine Loyacano \$50, and cancel his license. The case was brought up Wednesday morning on an information filed by Assistant District Attorney A. D. Henriques, Jr. The charge was made by Officers Hamhill and Rhodes, of the S. P. C. C., who allege that Loyacano sold beer to a six-year-old child.

The previous offense was committed on Sept. 22nd, when Loyacano pleaded guilty of selling to a 16-year-old child.

#### MOTHER-IN-LAW IS BLAMED FOR STRIFE.

"Too much mother-in-law, Judge—See?"

And Frederick Schofield, of 68 Vallette street, exhibited to the Juvenile Court Monday afternoon the tattered remnant of what once was a blue jumper, looking more like a battle flag relic, as proof of his reason for not being able to live with his wife.

"I went home Thursday to make up with my wife and my mother-in-law was visiting. There wasn't room in the house for both of us, and here is the result," he said. He waved his shredded cloak of industry.

"My wife and I get along all right, but that mother-in-law—"

"That'll do," interrupted Judge Wilson, "settle your family affairs out of court. I find you guilty of failing to support your minor child, and issue a rule of alimony to the extent of \$3 per week against you."

Little Joseph Schofield, for whose benefit the judgment was issued, is three years old.—Daily States.

#### PETTIGROVE—RAYMOND.

Among the many pretty weddings of the early summer was that of Miss Rhea A. Raymond, daughter of the late Mr. and Mrs. C. L. Raymond, to Mr. Edwin P. Pettigrove, both of this city.

The wedding took place on June 21st at the home of Mr. and Mrs. Jules Banduc, sister and brother-in-law of the bride, in the presence of only the most immediate relatives. The parlors were decorated with palms, ferns and tulle.

To the strains of Mendelssohn's Wedding March the bridal party entered. Miss Etta Pettigrove, sister of the groom, acting as maid of honor, preceded the bride, who was escorted by her brother, Mr. Lucien Raymond, to the altar, where the groom with his best man, Mr. Fred Dinshaus, awaited the bride's coming. Rev. Father Jansen officiated.

The maid of honor wore a beautiful dress of white organdy, and milan hat, and carried a bouquet of bridesmaid roses. The bride, a charming brunette, wore a handsome white suit and white milan hat. She carried a shower bouquet of bride's roses and valley lilies.

Following the ceremony, in the beautifully decorated dining room, dainty refreshments were served, after which the young couple left to spend their honeymoon at Waveland, Miss.

On their return, Mr. and Mrs. Pettigrove will be at home to their many friends at 231 Olivier street.

### You Know This Already But It Is Well to Bear It in Mind

Value in Foods depends entirely upon the food value contained therein.

In other words, sugar or pepper or canned peas must be better than merely pure; to be of the greatest value they must be extra choice; the hulls of the pepper pod could be ground up with the seeds and it would still be "pure," but you get more value in pepper when you get it free from any pods or hulls. The latter is the only kind of pepper we sell.
