President Burgis of the new company stated that successors to these gentlemen have not been appointed and he could not state at present what changes will be made, but at present the company will go along with the present force.

STARS VS. SHAMROCKS.
The Algiers Stars won their second game Sunday by defeating the Shamrocks by the score of 22 to 12.

The batting of Sutherland, Bries, Trosclair and D. Sehr, got the only clean home run in the game. Bries and Sutherland got five hits in as many times at bat. O. Marcour, with the bases full in the sixth inning, hit to center for three sacks. Kline, who suffered a sore arm in the second inning, was relieved by H. Marcou, who held the Rock hitless for five innings. Lecourt did the receiving and made a great showing.

Trosclair made some wonderful catches at short. The Stars will play any 18 year old team in Algiers, Gretna, Westwego and Harvey. Send challenges to O. Marcour, 431 Opelousas avenue, or phone Algiers 76 and leave message.

DIED.

Lawton—On Saturday March 31st, at 3:15 o'clock a. m., Mary Courtney, wife of Richard Lawton, died at the age of forty-six years. Deceased was a native of our town. The funeral took place Sunday morning at 10 o'clock from her late residence 923 Washington avenue. Interment was in St. Patrick's Cemetery.

Maguire—On Saturday at 12:40 o'clock p. m., Patrick Maguire died at the age of sixty-two years. He was a native of our town. The funeral took place Sunday afternoon at 3:30 o'clock from the residence of his brother-in-law, Jno. M. Nolan, 608 Bellevue street. Members of Woodmen and the Woodmen Circle attended the funeral in a body. Interment was in St. Bartholomew Cemetery.

Leland—Mrs. Robert T. Leland, nee Leonie De Varenne, one of the two founders of Carnatz Institute, one time fashionable girls' school, died at her home 2517 Dumaine street, at 6 p. m. Sunday. She had been in invalid three years.

Mrs. Leland was born in Guatemala of aristocratic French parentage, but came to this country as a girl before the Civil War. Mrs. Leland's only survivor is her husband.

The funeral was held from the Leland residence at 3:30 p. m. Monday. Interment was in St. Louis Cemetery.

BRIGHT NEWCOMB STUDENT.
Miss Anna Louise McNeely, one of the bright young students of Newcomb College, is writing a history of the Association of the Progressive Work as a part of her school tasks and expects to have completed the article before the vacation season. She is, indeed, gaining quite a reputation for her excellent work at Newcomb. In all events there she figures prominently. Last week the Lath Club staged two dramas and Miss McNeely interpreted Aenios, the hero, in the play "Dido." We congratulate her on her successful work.

WASHINGTON STARS DEFEAT "ZU ZU" 4 TO 2.
The Washington Stars met and defeated the Zu Zu team by a score of 4 to 2. The game was very interesting and a large crowd witnessed the playing. The feature of the game was the sensational one-hand catch of W. Donner, when he stabbed the drive of A. Hotard, but which practically saved the game, for the Washington Stars. Talbot who has not yet reached the form of the year 1915, pitched a very good game considering he is suffering from a sore arm. Talbot is a former "Pelican Star" pitcher. When with that team he pitched 28 games, winning 26 and losing two. It was the season of 1915 when Manager Finley was manager of the Pelican Stars, but he has now resigned as a baseball manager. He has been greatly missed as manager, as he always managed a successful ball team. (Don't forget to try and come back.) The Washingtons will meet the Algiers Play Grounds Stars Easter Sunday and a good game is expected. S. Talbot will do the pitching and P. Corbett will do the receiving. Kline and Helder will be the batteriers for the A. P. G. Stars. The game will begin at 2:45 p. m.

Welcome Each Rebuff.
It is said that unless the clay is well pounded, no pitcher can be made. This seems to be true in a certain sense of the making of life. When we think how many blows one is quite certain to have, and how many are students in the "University of Hard Knocks," we realize that these hard things must be part of the process of making us fit for use.

Peat Bogs.
The peat bogs of Ireland have been so persistently emphasized in all economic discussions of the Irish people, as well as in the literature of the country, that the average individual has come to think of this island as having a virtual bog monopoly, but as a matter of fact, there are 18 times as many square miles of such land in the United States and Canada as there are in Ireland, while continental Europe's bogs aggregate an area as extensive as that of the French republic. Not all bogs produce fuel peat, however.

Uncle Eben.
"De man who makes hay while de sun shines," said Uncle Eben, "generally has to take care of a lot o' folks dat put in de time sittin' in de shade, overseer' de job."

Value of Peanuts.
A doctor is quoted as saying that a handful of peanuts eaten before retiring will quiet the nerves of the stomach. The same authority also claims that a few peanuts eaten after each meal will aid the digestion, provided they are freshly roasted.
