VOL. XXV NOVEMBER 29, 1917 No. 30

YOUR SOLDIER BOY'S INSURANCE.

Have your son or brother or father taken out Military Insurance, which is being furnished by our Government?

This is such an important matter that we feel that those interested should know that:

A division of military and naval insurance of the Bureau of War Risk Insurance has been organized as a part of the Treasury Department and is in active operation.

A number of policies on the lives of soldiers have already been issued, aggregating nearly \$25,000,000 in insurance. The benefits of the law are available to all of the members of the United States Army, Navy, and Nurses' Corps.

A short summary of some of the main features of the law follows:

Premiums for a \$10,000 policy begin with \$6.30 per month at ages 15, 16, and 17; increase to \$6.40 per month for the ages 18, 19, and 20; to \$6.50 per month for the ages of 29 and 30; to \$7 per month for the age of 31, with progressive increases for ages above those given. The minimum amount of insurance that may be taken out is \$1,000.

The compulsory allotment to a wife or child, which is separate from the insurance, shall not be less than \$15 a month, and shall not exceed one-half of a man's pay. A voluntary allotment, subject to regulations, may be as large as the insured desires, within the limits of his pay.

In addition, the Government will pay monthly allowances as follows:

Class A. In the case of a man to his wife (including a former wife divorced) and to his child or children:

(a) If there be a wife but no child, \$15.

(b) If there be a wife and one child, \$25.

(c) If there be a wife and two children, \$32.50, with \$5 per month additional for each additional child.

(d) If there be no wife but one child, \$5.

(e) If there be no wife but two children, \$12.50.

(f) If there be no wife but three children, \$20.

(g) If there be no wife but four children, \$30, with \$5 per month additional for each child.

Class B. In the case of a man or woman, to a grandchild, a parent, brother, or sister:

(a) If there be one parent, \$10.

(b) If there be two parents, \$20.

(c) For each grandchild, brother, sister, and additional parent, \$5.

In the case of a woman, to a child or children:

(d) If there be one child, \$5.

(e) If there be two children, \$12.50.

(f) If there be three children, \$20.

(g) If there be four children, \$30, with \$5 per month additional for each additional child.

If the man makes an allotment to certain other dependent relatives the Government will also pay them an allowance which may equal the allotment, but this shall not be more than the difference between \$50 and the allowance paid to the wife and children.

The increased compensation in case of death runs from a minimum of \$75 monthly to a motherless child, or \$25 monthly to a childless widow, to a maximum of \$75 monthly to a widow and several children. The widowed mother may participate in the compensation.

In case of total disability the monthly compensation runs from a minimum of \$75 if the injured man has neither wife nor child living, to a maximum of \$75 if he has a wife and three or more children living, with \$10 a month extra if he has a widowed mother dependent upon him.

The maximum is enlarged still further, for when the disabled man constantly requires a nurse or attendant \$20 monthly may be added. If the disability is due to the loss of both feet, both hands, or total blindness of both eyes, or if he is helpless or permanently bedridden, \$100 monthly is granted.

The law contemplates future legislation for re-education and vocational training for the disabled. It gives them full pay and their families the same allowance as for the last month of actual service during the term of re-education.

LEA BURTON.

In the death of Lea Burton, Algiers loses an honest, sincere, religious man. He was one of the few men who stood up for "the under dog."

In his younger days he gave much of his time, some of his money and health, and lots of energy for any kind of a benefit for charity. He was a devoted church worker, and lived the life of a good Christian. In his death we lose a good citizen, Mount Olivet Church one of its best workers, and the Pythian Order one of its most ardent supporters. Long may he live in our memory.

WHY AND WHY NOT.

A 21 per cent. drop in building operations since August is reported in New York City, due to strikes and inability to obtain steel.

Governor Philipp of Wisconsin declares that no peace meetings to hand the Government shall be held in Wisconsin while he is governor.

The warring nations have spent thus far \$30,000,000,000. The United States alone proposes to spend 23 per cent. of this sum in the first year.

As a result of increases in wages steel rollers in the mills at Youngstown, Ohio, are now earning as much as \$800 a month or at a rate of \$10.00 a year.

Chaplain Henderson of Detroit has issued an order that every Methodist church in his diocese shall display the Stars and Stripes for the duration of the war.

A Swedish Baptist Church in New York City recently tendered the use of its church to a Jewish Congregation which was unable to raise funds to build a synagogue.

In the interest of economy, the Department of Agriculture has issued a circular advising the use of oil for dressing shoes instead of blacking, as it will tend to preserve the leather.

It is estimated that this year in America is estimated at nearly 20,000,000 bushels, as compared with less than 9,000,000 last year and 10,000,000 in 1915, and is valued at \$165,000,000.

Hattie T. Harl, a school-teacher of Council Bluffs, Iowa, has promised to pledge for school children in which they promise not to find fault with any food set before them during the war.

It is stated that the ashes from tobacco smoked in this country annually would yield over 44,000,000 pounds of potash, and 10,000,000 pounds of phosphorus, valued as fertilizers at \$50,000,000.

Rev. Father Larkin, S. M., Sunday, Father Doolin was on his way to Boston to deliver a lecture on the "Missions in China." Father Doolin has spent eight years in the northern part of China, laboring in the Catholic missions. He likes the work and is devoted to his neophytes, but, nevertheless, he admits that in common with the other missionaries there are moments of loneliness. Father Doolin felt most loneliness, and longed for home most of all around the Christmas and Easter holidays. He missed the pomp and solemnity of the at home services during those periods of the year. The Chinese seem to lack musical taste and the missionaries have found it practically impossible to organize choirs.

PERSONALS. Rev. Father Casagrande, S. M., has returned from his several days. Dr. Lowe, attending him, is confident the patient will be up again in a few days. Father Casagrande suffered on Sunday and Monday night. His condition was slightly improved.

Rev. Father Stemanns was at the home services during those periods of the year. The Chinese seem to lack musical taste and the missionaries have found it practically impossible to organize choirs.

as we have in this country, thus depriving the church services of much of their charm. The Catholic missionaries have been very successful, making an average of 100,000 converts a year. There are now 1,800,000 Catholic converts in China. The coolies, who form the working class, are a hard-working and honest class of people, and honesty means something to a man making; only about 5 cents a day with board or 10 cents without board. Father Doolin had many thrilling adventures, especially during the Boxer movement, when, on one occasion, good American weapons, handled with skill and courage, saved his own life and that of his mission. The people of Algiers will have another chance to hear the eloquent young missionary, for he has promised to stop over on his way back to San Francisco.

Rev. M. Byrne, chaplain of the Federal Prison in Atlanta, returned to his work last Friday, after a very enjoyable trip. He made a very favorable impression at the convention by the earnestness of his purpose in the welfare of the prisoners under his care.

THANKSGIVING ENTERTAINMENT.

The usual annual Thanksgiving entertainment will take place at the convent today (Thursday). Now all who appreciate the good work that our Sisters are doing will have a chance to show their appreciation in a substantial manner on this occasion. All are invited, old and young. The fun begins at 2 p. m. and promises to continue until late. The program will consist of games for boys and girls at 2 p. m., competitive drill for the Boy Scouts at 3 p. m. After a recess in order to enable all to get their second wind, the meriment will start again at 7 p. m. with songs and dances, and last of all, but by no means the least, the Children of Mary will stage a camouflage opera, which promises many surprises and protracted laughs. They are always good. So, kind people and friends, come along. A good time is promised you and also a splendid opportunity of spending a little change for a most worthy cause. Follow the crowd. General admission 5 and 10 cents.

By faith he sojourned in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise.
