CHARTER OF
LIBERTY MANUFACTURING COMPANY.
UNITED STATES OF AMERICA,
STATE OF LOUISIANA,
Parish of Orleans, City of New Orleans.

Be it known, that on this 23rd day of the month of March, in the year one thousand nine hundred and eighteen, before me, John R. Upton, a Notary Public in and for this City and Parish of Orleans, State of Louisiana, therein residing, duly commissioned and qualified, and in the presence of the witnesses hereinafter named and undersigned, personally came and appeared the several persons whose names are hereunto subscribed, who declared to me, Notary, that availing themselves of the provisions of the laws of this State relative to the organization of corporations, and more especially of Act 267 of 1914, they have covenanted and agreed, and by these presents do covenant and agree for themselves, their successors and assigns, to form themselves into a corporation and body politic, for the objects and purposes, and under the stipulations hereinafter set forth, to-wit:

ARTICLE I.

The name and title of this corporation shall be the Liberty Manufacturing Company, Inc., and under such title it shall have and enjoy succession and existence for a period of ninety-nine years from the date hereof unless sooner dissolved; it shall have power and authority to contract, sue and be sued; to make and use a corporate seal, the same to break and alter at pleasure; to have, hold, buy, sell, lease, mortgage, hypothecate or pledge property, real, personal or mixed, necessary, proper or incidental for the carrying on of its business, as well as to issue bonds secured by such mortgages; to make and issue notes and other certificates of indebtedness; to name, elect and appoint managers, directors, clerks or other employes to properly conduct its corporate business, and to make such by-laws, rules and regulations as may be necessary or found desirable for the management of the business and affairs of this corporation, and generally to do every other act, matter or thing necessary or desirable for the complete and proper carrying out of said business.

ARTICLE II.

The domicile of this corporation shall be at New Orleans, in the Parish of Orleans, State of Louisiana, where all citations or other legal process shall be served upon the President, or in his absence on the Vice-President, or in the absence of both upon the Secretary.

ARTICLE III.

The objects and purpose for which this corporation is organized and the nature of the business to be carried on by it are hereby declared and stated to be to manufacture, purchase and sell electrical, mechanical, compressed air, gas and gasoline appliances, tools, machines and objects of whatsoever nature and kind used where steam, electricity, compressed air, gas or motive power is used; to do a general manufacturing and repair business, electrical, mechanical, or otherwise; to do a general foundry business in steel, brass, iron and other metals, also to do a general sheet metal manufacturing and constructing business, and to do any other kind of manufacturing and repairing that is kindred to any of the above set forth purposes; to install all kinds of machinery and appliances; to operate and construct steam, electric and other power plants; to represent others as agents or otherwise in the same line or similar lines of business; to act as manufacturing agents and to receive and sell goods on consignments; to acquire and own stock in other corporations; to acquire by purchase, lease or otherwise, patents or inventions that might be used for the purposes of the business of this corporation; and generally to do and perform any and all things necessary or convenient to carry on said objects and purposes.

CHARTER

ARTICLE IV.

The capital stock of this corporation is hereby fixed at the sum of fifty thousand ($50,000.00) dollars, divided into five hundred (500) shares of the par value of one hundred ($100.00) dollars each; provided, that the amount to which the capital stock of this corporation may be increased shall be one hundred and fifty thousand dollars.

Two hundred and fifty shares, or twenty-five thousand dollars of the capital stock of this corporation must be subscribed before the filing of the articles of incorporation. The subscribed capital stock of this corporation shall be payable in cash, property (real or personal), or for labor and services rendered and performed.

No stockholder shall ever be held liable or responsible for the faults, contracts or debts of this corporation in any further sum than the unpaid balance due the corporation on the shares of stock subscribed by him, nor shall any mere informality in organization have the effect of rendering this charter null, or of exposing any shareholder to any liability whatsoever.

This corporation shall not engage in business until two hundred and fifty (250) shares, or twenty-five thousand ($25,000.00) dollars of the capital stock have been issued and paid in, in cash. If, in addition, any stock of this corporation is exchanged, either in whole or in part, for property or good-will, in that event the provisions of Section 3 of Act 267 of 1914, shall be complied with strictly.

ARTICLE V.

All the corporate powers of this corporation shall be vested in and exercised by a Board of Directors to be composed of three stockholders, each of whom shall own in his own right, during his term of office, at least one full paid share of stock, all of whom shall constitute a quorum for the transaction of business; provided, the Board of Directors are hereby authorized to increase, in their discretion, the number of Directors to seven (7), in which case four shall constitute a quorum.

The officers of this corporation shall consist of a President, Vice-President, Secretary and Treasurer, all of whom shall be members of the Board of Directors. The offices of Secretary and Treasurer may be combined in one and the same person.

The following named persons shall constitute the first Board of Directors, to-wit:

Ephriam Rosenberg, 7727 St. Charles Avenue.
P. Sefton Schneidau, 1634 Robert Street.
Benedict B. Hans, 7818 St. Charles Avenue.

All residents of the City of New Orleans, State of Louisiana, as above stated, with Ephriam Rosenberg as President, P. Sefton Schneidau as Vice-President, and Benedict B. Hans as Secretary-Treasurer, and these directors and officers shall hold office until the second Tuesday of March, 1918, or until their successors are duly elected and qualified.

Thereafter the directors shall be elected annually on the second Tuesday of March of each year; all elections of directors shall be by ballot, and each stockholder shall be entitled to one vote for each share of stock standing in his name on the books of this corporation; this vote to be cast in person or by written proxy, and it shall require two-thirds of the stock present or represented to elect.

Failure to hold an election for directors on the second Tuesday of March, 1919, or annually thereafter, shall not work a forfeiture of this charter, but the old Board of Directors shall remain in office until their successors are duly elected and qualified.

ARTICLE VI.

The Board of Directors shall hold regular meetings at such times as shall be fixed in the by-laws of this corporation. These meetings shall be held at the domicile of the corporation, but the President may call special meetings of the Board of Directors at such times as he may deem advisable, and he shall be required to call such special meeting at the request of a member of the Board of Directors. Three days' written notice of such special meetings shall be given to the directors, unless waiver of such notice is signed by the directors. Any vacancy occurring in the Board of Directors, either by death, resignation or inability to serve, shall be filled by the remaining Board of Directors at its next regular meeting after such vacancy shall have occurred. The first Board of Directors of this corporation shall be required to draft suitable by-laws for the government of this corporation, which may be altered, amended or changed as the exigencies of the case may require.

ARTICLE VII.

The stock of this corporation may be transferred, provided such transfer shall be recorded on the books of this corporation before it shall be required to recognize the transfer of the new holder of said stock. The total amount of the subscribed stock, as herein set forth, is the sum of twenty-seven thousand ($27,000.00) dollars, or two hundred and seventy (270) shares, which are hereby authorized to be issued fully paid for and non-assessible, for cash.

In the event that any stockholder desires to sell his stock, or any part thereof, he shall first offer same to the remaining stockholders, in proportion to their respective holdings, at its book value. This offer is to be made to appear by letter addressed to each stockholder at his last known address, giving thirty days' option. At the expiration of which time the said stockholder desiring to dispose of his stock, shall be at liberty to sell at whatever price and to whom he shall please.

ARTICLE VIII.

This charter may be modified or altered, the capital stock thereof increased or decreased, or the corporation may be dissolved with the assent of two-thirds of the capital stock present or represented at any meeting of the stockholders held for that purpose, after prior notice in writing to each stockholder, or mailed to him at his last-known postoffice address, all in accordance with the terms of Act 267 of 1914.

ARTICLE IX.

At the expiration of this charter or the earlier dissolution of this corporation for any cause, its affairs shall be liquidated by one or more liquidators to be elected by the stockholders, all of whom shall hold stock in this corporation, and said liquidators are hereby vested with full power and authority to liquidate the affairs of said corporation, with full power to act under the terms of Section 30 of Act 267 of 1914.

ARTICLE X.

The appearers hereby declare that they have subscribed to the following number of shares of the capital stock of this corporation, to-wit:

Ephriam Rosenberg, 7727 St. Charles Avenue, New Orleans, La., one hundred and twenty-five (125) shares.
P. Sefton Schneidau, 1634 Robert Street, New Orleans, La., one hundred and twenty-five (125) shares.
