MAISON & HAMLIN--Pianos

are the most expensive pianos in the world because they cost more to build—not to sell—and because their exquisite tone is not only finer, purer, broader and more sustaining, but by a Patented System not found in any other piano, this tone is absolutely imperishable, like the "Stradivarius Violin."

To own a Mason & Hamlin Piano is in itself a distinction that cannot be said today of any other piano made.

CENTENARIAN DIES

Peter McGivney was born in the County Cavan, Ireland, on June 24, 1816, and while he was quite an old man when he reached this country, he was able through this old Irish vigor to round out sixty-three years in our district. Mr. McGivney died Sunday evening at 6 p. m. and interment was made in Bartholomew Cemetery Monday afternoon from his late residence, 425 Eliza street. Mr. McGivney was never married, and he often stated in his later years that was one of the big errors of his life. During his residence in Algiers he was in the drayage business, which he conducted up to the time he became too feeble to take care of his affairs.

Deceased is survived by five nephews, namely: Messrs. John, Eugene, Felix, Alex and Thomas McGivney, and two nieces, Mrs. A. Seiss and Mrs. Edward J. Moore, and one sister-in-law, Mrs. Jane McGivney.
