Get Busy!

"LES ABEILLES"

Most of us have heard how the Belgium children are suffering as their country is being devastated. Most of us have expressed our desire to help. Now, there is a way in which you can help the Belgians, by becoming a member of the circle known as "Les Abeilles," (The Bees) a Junior League, for the aid of "Destitute Children of Belgium."

The dues are very small—only five cents a month. Any member can take out one or more memberships. There are no meetings to attend. . . . just pay the dues. The money is sent to Mr. Leon de Waele, formerly Belgium Consul to New Orleans and Mr. de Waele sends the fund direct to Her Majesty, the Queen of Belgium.

Miss K. M. Shroy, 129 Elmira Ave., is soliciting contributions from the people of Algiers. If there is anything you wish to know, regarding the matter, Miss Shroy will gladly furnish you with the information.

Surely, no one will refuse to give such a small sum for such a worthy cause.

MISS REYNOLDS IS MOVIE INSPECTOR

Miss Roseada Reynolds, eldest daughter of the late Jas. W. Reynolds has been appointed inspector of moving picture theatres and has already entered upon the discharge of her duties.

Miss Reynolds bears the distinction of being New Orleans' first moving picture inspector. That has been an office which, it was felt, this city needed. The selection was made Saturday, and Monday Miss Reynolds received her commission and entered upon her duties at once. She will be carried on the rolls of the police department as matron. The recent thirty-three and one-half per cent increase in the salaries of all members of the police department will bring her salary up to \$80 per month.

There will be nothing spectacular in Miss Reynolds' performance of her duties. She merely will go quietly into picture shows—one after another—and if she finds anything objectionable in a picture, will report the matter to Superintendent Mooney, who will issue orders for the manager of the theater in which such a picture is being shown, to discontinue it. If that is not done, an affidavit will follow.

BIRTHDAY PARTY

One evening last week, little Miss Alice Kissinger, daughter of Mr. and Mrs. Jack Kissinger, entertained her little friends at her home in Alix St., in honor of the third anniversary of her birth. Captain Chase has ordered the Naval Station band to play at the Y. M. C. A. every Thursday night, with one of the musicians detailed to play four nights a week in concert and in accompaniment for moving pictures. "Home talent night" this Thursday will bring forth a more elaborate program, according to notices received by Nelson L. Bosing, secretary of the Y. M. C. A.
