### SAFE

Harold—Chawles says he owes you a grudge, Percy. Percy—Aw! that's all right. Chawles doesn't believe in paying his debts.

### New Disease.

A disease new to science and provisionally called "X" has broken out in the west and northwest of New South Wales and has already caused a number of deaths. The symptoms somewhat resemble those of cerebrospinal meningitis, but it differs pathologically from that disease and in some respects is somewhat akin to pneumonia.—Scientific American.
