"CAPTAIN BEHRMAN AT BOURDEAUX FRANCE."
A letter received a few days ago from Captain Stanley Behrman from Bourdeaux, France stated that he had the pleasure of a visit from two Algiers boys, namely, Norman Brownee and Norman (Dutch) Hotard. Captain Behrman stated that the Algiers boys certainly looked good to him when they came into Bourdeaux, France. Hotard is still taking on weight. Captain Behrman does not expect to leave France for several months as he has a considerable amount of work to do under his charge which will necessitate his remaining in Bourdeaux, France, for the next few months. He is enjoying good health and sends greetings to his friends.

The CHRISTMAS GIFT SUPREME

A Diamond is the one gift that most girls long for. Men, too, who would not really wear ordinary jewelry, in most cases, really appreciate the Diamond.

You take no shadow of a risk in buying your Diamonds at Uncle Joe's Loan Office. We handle but one grade, and that is the best. To know this is important, for the buying of gems is a matter of confidence in the dealer, as most people cannot accurately determine for themselves the quality of a diamond.

We absolutely guarantee every Diamond we sell to be exactly as represented, and our prices are right. We have no competition on this grade of stones.
