78 YEARS OF SERVICE.

Is What the Old Reliable House of E. Barbier, Jeweler, Has Rendered.

A business house about which The Herald desires to write in this brief article is "the old reliable house" of E. Barbier, Jeweler, 508 Royal street. Let the reader be carried back some seventy-eight years, to be exact, the year of 1842, and we learn that there was established a business that is known today, and has been known for many years, as E. Barbier, Jeweler, Watch and Clock Maker. Began, no doubt, in a small and quiet manner, the proprietors were progressive and with the passing years kept pace with the growth and progress of the Crescent City, and at the time of his death, a few years ago, E. Barbier was one of the leading jewelers of the city, known far and wide as an expert jeweler man in every branch of this business. Miss Irene Barbier, a daughter, now manages this store, which truly may be referred to as one of New Orleans' landmarks.

Old in years, the E. Barbier Jewelry Store is likewise one of the really representative jewelry houses of the city, and is today one of the leading and attractive business firms, and one which enjoys a splendid share of public patronage. The large and comprehensive stock of jewelry and silverware carried is of a high standard and the stock is always displayed in the most attractive manner possible. Included in this stock may be found diamonds, watches, monogram buckles, lavaliers, rings, watch bracelets, brooches, stick pins, cuff buttons, chains, bar pins, earrings, lockets, fobs, vanity and cigarette cases, all in the latest designs, and perhaps, what is even more interesting, at prices that are mighty hard to duplicate in other stores. Added to the above is a pretty showing of solid silver and silver plated ware. Whatever heart and fancy desires the E. Barbier Jewelry Store easily gratifies from the large stocks carried. A jewelry and watch repair department is maintained and all work is done promptly and guaranteed.

There is always a feeling of security when dealing with an old established and reliable house, and this firm being both, customers derive profit and pleasure in trading there.

The Wonders of America
By T. T. MAXEY

ESTES-ROCKY MOUNTAIN NATIONAL PARK.

MANY years ago three Englishmen hunted big game in the Rocky mountains. They had hunted in Asia, Africa and South America, but as they stood on the continental divide in north-central Colorado and looked down into Estes park it seemed to them a very paradise on earth. One of Colorado's most satisfying outing places ever since that time Uncle Sam, in 1915, proclaimed part of Estes and the territory immediately to the west a national park.

Only 70 miles from Denver, it is the most accessible to the largest number of people of any of our great national playspots. Here, at an average elevation of 7,500 feet above sea level, is a pine-scented, snow-capped pleasureland—a perfectly delightful refuge of peaceful grandeur, where one may be out every day from May to October in clear, bracing air, beneath a bright but scorchless sun and enjoy every night the cool, refreshing sleep that only the mountains can induce.

Long's Peak stands sentinel over the park, in which are lakes on which float ice cakes in August; masses of snow (glaciers) a mile long and hundreds of feet thick, supposed to be older than the pyramids of Egypt, always exposed to the sun, far away from their starting point, yet slower than a snail; moraines—great ridges formed by glaciers which moved through the park centuries ago; rock-walled canyons; magnificent forests of pine and aspen; numerous mountain-trout streams; broad valleys, carpeted with luxuriant wild flowers of many varieties, including the delicate columbine—the state flower of Colorado.

"UNION BREAD—IT SATISFIES"

So Sayeth Algiers Housewives When Speaking of the Union Bakery Product.

Any enterprise that is the means of enhancing a city's reputation and standing in the world of business is one of which the people of that community may well be proud.

Such a concern in Algiers is the Union Bakery, corner Vallette and Allix streets, formerly known as the Joseph Susslin bakery, which was recently purchased by Mr. E. W. Nagel, a business man and baker of many years' experience. The Union Bakery is one of Algiers' largest and most modern bakeries and daily supplies the homes of discriminating housewives with the bread for the table. With a capacity of 6,000 loaves of bread daily, and the plant running to capacity, it is readily seen that a degree of popularity this bakery enjoys among the people of Algiers. And when an institution employs such modern methods in the conduct of its business, and turns out such an excellent product as does the Union Bakery there can be but one result—leaders in their line.

Union Bread, "the bread with the flavor," is baked in a sanitary shop, by strictly union labor, and only the best and purest ingredients are used. The best Minnesota flour, pure lard, and pure cane sugar go into its making, and the finished product is the acme of perfection. Electricity and steam and modern machinery finish what human hands commence. The flour passes from the sacks to the sifter, is ariated into the electric dough mixer, and then passes through the molding machines into the latest patent ovens. Quite soon Mr. Nagel is to install a patent automatic dough mixing machine, which softens the dough before it is passed to the ovens, thereby eliminating in the baked loaf the holes so often seen in bread.

The Union Bakery stands squarely with Union Labor, and Union Bread is the product that these skilled artisans turn out. The eight-hour system is worked, both a day and night shift, employing eight master bakers and four additional helpers in different capacities. Two delivery trucks are kept busy delivering Union Bread to the dealers, and it may be said that Union Bread is to be found on sale at most all stores handling food products.

Mr. Nagel is a native of New Orleans, and engaged in the bakery business more than fifteen years ago, having owned and successfully operated bakeries at 2735 St. Ann street and 334 St. Maurice, and it is to his credit to say that he has been successful in his every effort, and such men of affairs and family Algiers is glad to welcome into business and social circles. Enterprising and progressive, Mr. Nagel belongs to that class of merchants who are a substantial asset to every other business, and no doubt his already large patronage will increase, due to his splendid principle of always giving entire satisfaction. Mr. Nagel is ably assisted in the management of his business by Mrs. Nagel.

THIRD PRECINCT REGULARS.

The next regular meeting of the Third Precinct, Fifteenth Ward, Regular Democratic Club, will be held at their headquarters, corner of Slidell and Brooklyn, at eight o'clock sharp.

The presence of every regular voter of this precinct is urged as matters of the utmost importance will be discussed.

EXAMINATIONS FOR PRINCIPALS AND VICE-PRINCIPAL.

Examination of white and colored applicants for grammar grade, academic, principals, vice-principals, special subjects and department certificates will be held during the week beginning July 26, 1920. Applications may be secured at the office of the Superintendent, and must be filed with the Superintendent not later than July 20, 1920.

AMATEUR BASEBALL.

Algiers Junior League Starts Off With a Bang.

For years the boys of Algiers have been trying to get a league started amongst themselves. At last the league has been organized. It is composed of the following teams: Viaduct Rangers, Zu Zu Stars, Lower Coast Stars, American Eagles of Gretna, and the Playground Stars.

Sunday the first set of games were played, the first game was between the strong team of Gretna and the Zu Zu Stars, the winner to play the Lower Coast Stars. The Zu Zu Stars defeated the Gretna boys in the first contest by a score of 1 to 0. Morris was effective, and did not allow the Gretna boys a hit, fanning ten and passing but two. The Zu Zu Snaps made their lone run in the first inning. Schroeder, singles, steals second, goes to third on a wild pitch, and scores on a passed ball, Doyle and Rhodes pitching for the Gretna Eagles.

By the Zu Zu Stars winning the first they were to play the Lower Coast Stars in the second game. Holton pitched for the Zu Zu's and Goodwin and Hun pitched for the Lower Coast Stars. The Zu Zu's won this game by a score of 5 to 2. E. Holton was the only one to receive a good hit when he tripled to left in the fourth inning of the second game.

The other contest was a runaway game favoring the Viaduct Rangers who played the Play Ground Stars. Tashito pitched good ball for the Rangers giving up but three hits, and fanning eight. West was the hitting ace of this game getting three doubles and two singles. The score of this game was 9 to 2.

Next Sunday three more games will be played in this league. The first between the leaders, The Zu Zu Stars and the Play Ground Stars. The second between the Rangers and the Lower Coast Stars.

BASEBALL.

The Calderaros were defeated for the first time this season when the Pelicans outpointed them in an extraordinary game last Sunday at Cleasor's Park, McDonoghville. The score was 7 to 6.

Ching Hotard for the Pelicans opposed Peltier for the Calderaros on the mound. For six innings the Calderaros looked like sure winners, but in the last inning Peltier blew up and the Pelicans tied the score. Hotard also became wobbly and the Calderaros scored two runs in the ninth inning. However, the Pelicans were not to be denied and won the game before a man was out in their half of the ninth. The Pelicans deserve credit for their uphill battle.

The two teams lined up as follows: Calderaros—Peltier, P.; Cazaubon, C.; Oliver, 1B; M. Abbott, 2B; D. Knowles, SS; Dyes, 3B; Cahill, LF; Costello, CF; Whitmore, RF.

Pelicans—Hotard, P.; Hindelang, C.; McGivney, 1B G. Knowles, 2B Fisher, SS; Dilenkofer, 3B Clement, LF; Tresclair, CF; Talbot, RF.

The following is the score by innings:

	R	H	E
Calderaros	0	40	000 002 6 6-3
Pelicans	0	001	000 303 7 10 5

NOTES ON THE PELICAN-CALDERARO GAME.

Considering it his first start, Hotard pitched a good game. His great trouble was his wildness, Ching was particularly good in keeping the Calderaro players close to the bases when they did get on.

Lefty McGivney is showing up better around the initial sack and also seems to be recovering his batting eye. He drove a dandy to right field in the eighth but Ike Whitmore nabbed it with one hand after a hard run.

Gussie Knowles played a brilliant game for the Pelicans. His remarkable fielding and hard hitting in the pinches were largely responsible for their victory.

Mark Abbott starred for the Calderaros when he saved the game for them by robbing Hindelang of a sure hit in the seventh inning with the winning run on second base.

Hindelang caught a steady game and cut off a number of would-be stealers. The Pelicans did not take any liberties with Cazaubon's good arm, so he had a quiet day behind the bat for the Calderaros.

Cahill's catch of Dilenkofer's long drive in the eighth inning and Gussie Knowles' leaping catch of a line drive over second base in the fifth inning were the prettiest seen in some time.

This Sunday morning's game will start promptly at 10:15 o'clock. Last Sunday, the late arrival of some of the Pelican players delayed the game for three-quarters of an hour.

Umbach, star hurler and speed marvel of the Pelicans, will be on the mound Sunday morning at Cleasor's Park, with Barker, ex-Moose player receiving.

After this coming Sunday's game, Jimmie Finley will organize a formidable team from among the stars on both the Calderaros and Pelicans, to represent Algiers in games with all semi-pro teams in the City and State.

BUEHLER TRANCHINA.

One of the loveliest weddings of the season was that of Miss Legia Buehler to Mr. Samuel Tranchina. The ceremony took place at the Church of the Holy Name of Mary, on Wednesday of last week at 5:30 p. m., Rev. J. A. Petit officiating.

The sacred edifice, which was beautifully decorated for the occasion, was filled with relatives and friends of the young couple.

The bride's only attendant was Miss Ethel Seroa, of the city. She was prettily gowned in pink orquady and carried a bouquet of pink carnations. She preceded the bride, who, though small of stature, walked most gracefully to the altar leaning on the arm of her father, Mr. Peter Buehler. The bride was prettily gowned in white seersucker over satin. Her veil of illusion was pinned in bow effect over her wreath of orange blossoms. She carried a bouquet of bride's roses.

Mr. Jno. Tranchina, brother of the groom, was best man.

During the singing of the register Mrs. B. Labit very beautifully rendered "Ave Maria."

The ushers were Santa, Vincent and James Tranchina and Harold Marcour.

After the ceremony a reception was held at the Avenue Academy in Opelousas avenue. The young couple left the same evening for Biloxi, Miss., to spend their honeymoon. They are now at home to their friends at 158 Delaronde street.

LANGE—BASS.

The marriage of Mrs Rita Bass and John M. Lange, both well known in Algiers, took place Wednesday night, Judge Martin S. Mahoney, of Second City Court officiating, Henry Dellam, Miss Carrie Fernandez and Cyril Bialas were the witnesses. A reception was held after the ceremony at the home of the bride's sister, Mrs. Bialas, in McDonoghville.

The bride was prettily dressed in pink georgette with hat to match. The bridesmaid wore pink orquady trimmed with ruffles and wore a hat to match.

GILLEO—EUPER.

Miss Florence Gilileo and Mr. Jno. Euper were quietly married by Father Petit on Saturday evening.

BORNE—GRAHAM.

One of the prettiest weddings of the season was that of Miss Doris C. Graham, the talented young daughter of Mr. and Mrs. J. Tom Graham to Mr. Benjamin W. Borne, one of our most prominent young accountants.

The ceremony took place Wednesday afternoon at 1:30 o'clock at the church of the Holy Name of Mary, Rev. J. A. Petit, officiating.

The bride was becomingly attired in white net and carried a bouquet of bride's roses and lilies of the valley. She was attended by her sister, Miss Helen Graham, who wore a white net dress with a pink sash, and carried a bouquet of Russell roses.

Mr. John Riordan attended the groom. During the signing of the register, Mr. Aubrey Gannine sang.

The young couple, who are both very popular in our town, were the recipients of many handsome presents. After the ceremony, a reception was held at the home of the bride. The young couple left the same evening for Biloxi, to spend their honeymoon. On their return, they will be at home to their friends at 335 Olivier St.

WHALEN—GREEN.

A wedding which claimed unusual interest in the smart circles was that of Miss Mida Whalen daughter of Mrs. Cora Whalen and Mr. Allen Green formerly of Houston, Tex. The marriage was celebrated Wednesday evening at 8 o'clock at the Christian Church in St Charles Avenue, which was crowded with a large gathering of relatives and friends.

The bride resided in our town for several years and is well-known here.

CALDERAROS VS. PELICANS FOR CHAMPIONSHIP.

On Sunday morning, July 4, at Cleasor's Park, McDonoghville, the championship of Algiers will be decided when the Calderaros hook up with the Pelicans. The game will start promptly at 10:15 o'clock.

An exciting battle should take place as the best baseball athletes of Algiers are equally divided between these two teams.

The fair sex are especially invited.

STREETS REPAIRED.

The paved streets in our district are being repaired by the Municipal Repair Plant. Many holes of long standing will now cease to be the cause of broken auto springs. Patterson street however, has many dangerous cavities, one especially at Vallette St., which is responsible for many broken springs during the past eighteen months. Patterson street is now almost past the repairing stage.
