Do you really think that Travelers Accident Insurance is worth while? "Didn't you say that you'd carried that policy for ten years and never had an accident?"  
"Fifteen years," he answered, "and I've never made a claim. And what's more, I intend to carry it fifteen more, and I hope I never will have to make a claim. Why, I'm really beginning to believe that this policy has kept me from having an accident. Works like a raincoat on a cloudy day. Carry it, and it clears. Go without it and it rains."

**SCHOOL BELLS RINGING**  
McDONOUGH No. 4 SCHOOL.  
Our school is in receipt of a much appreciated letter from Hon. T. H. Harris, State Superintendent of Louisiana Public Schools. This came as an agreeable surprise and we enjoyed the kindly expressions contained therein.  
He stated that he had enjoyed the New Orleans Institute very much, and that it had been a pleasure to him to meet the twelve or fifteen hundred teachers of the city and to be associated with the ten fine pupils who constituted his demonstration class.  
In conclusion, he extended McDonough No. 4 his best wishes for a highly successful session.  
The first regular meeting of the McDonough No. 4 Co-operative Club will be held Tuesday, October 4, at 3:15 P. M. This will be a social and business meeting combined and all friends and parents of the boys are requested to become members.  
Last year the immense amount of good work was performed by a few faithful members, who were present at all meetings and carried out the tasks necessarily involved in the entertainments given by the club.  
This year, we want more parents to give this matter more thought and attention. They should join the club, if they are not already members, and every member, new or old should make a special effort to attend regularly and become vitally interested in all subjects pertaining to the welfare of McDonough No. 4's teachers and pupils.  
Our club has accomplished great things in the past two years and with the added impetus of increased membership and larger attendance at meetings, even greater things will come to pass in the future.  
We make a final plea to all friends to attend the meeting next Tuesday, when old associations will be revived and a cordial welcome will be extended to the new attendants, who will show by their presence, their good will and their desire to co-operate. All the books and material furnished by the School Board have been received and distributed to the pupils. Our classes are well organized and work is progressing satisfactorily.  
Two Civic Leagues were formed with the following officers:  
Eighth Grade Progressive League. President, James Carter; Vice-President, Albert Newberry; Secretary, Wm. LeBlanc; Treasurer, Malcolm Schroder.  
The Moral Civic League, President, Eugene Brown; Vice-President, John Alkman; Secretary, Ellington Breaux; Treasurer, John Calvin.  
Enrollment of pupils will continue throughout the session, nevertheless parents are urged to send the little ones in the beginning of the session as an early enrollment and regular

attendance are contributing factors in the promotion of pupils.  
Success in any line of work calls for self sacrifice on the part of the individual and this is no less true in school life. So it is well that pupils realize that success or advancement to a higher grade can be attained only through constant and daily application to studies and faithfulness in the execution of duties assigned to them either in the class-room or for home.  
Dr. Wymer visited our school last Wednesday and vaccinated all the children who needed to be vaccinated.  
The first meeting of our Club will be held next Tuesday, October 4, at 3:15 P. M. All parents and patrons of McDonough No. 4, are earnestly requested to become members.

**McDONOUGH No. 5 NOTES.**  
Everything is in fine working order and regular class work has been carried on since last Monday when distribution of text books was made. Our enrollment has steadily increased until we have on roll 408. Of this number 41 are Kindergarten children.  
Miss Caroline Alberts, supervisor of Music, visited the school on Friday and Miss Helen Wharton, drawing supervisor was here Monday. Miss M. Conway of the Music Department also visited the school on Friday.

**ADOLPH MEYER.**  
An impressive as well as a pleasing ceremony took place last Thursday morning at the morning exercises, when the pupils who had made successful scores in the Athletic Test last School year were awarded the pins and buttons as a reward. The principal took this occasion to congratulate the pupils on their success and to encourage them to keep up the very excellent work that had been done during the last year.  
Our enrollment has now passed the 300 mark, with quite a few more yet to enter. We are very proud of the growth of our school, and have every reason to believe that it will still continue to grow.  
Miss Albert, Supervisor of Music, spent the day with us on Wednesday. Miss Griffith, Supervisor of Physical Training, was also with us for a part of the day on Wednesday. This year Miss Griffith will visit us every three weeks. The news of this change was received with much delight by both teachers and pupils for the visit of Miss Griffith is always hailed with great pleasure.  
Miss Claire Wilson, the very efficient teacher of the Fourth Grade, was ill two days during the past week. We are glad to have her again with us on Monday.  
Promptness has always been the slogan in our school, accordingly all the regular school work was begun on the opening day, September 19. All books and other necessary equipment had been distributed on Friday, September 16, in order that the work might be carried on with the quickest dispatch possible.  
Miss Aurelia Schmid, Supervisor of Domestic Art, is with us again this year. We are all very glad to have Miss Schmid; for by her gentle manner and pleasing personality, she has endeared herself to all the pupils.  
The regular monthly meeting of the Co-operative Club, will be held on Wednesday, October 5, at 2:15 P. M., in the principal's office. All parents are invited to attend.

**ORPHEUM THEATRE.**  
Next week's attractions are as follows:  
**SAM MANN AND PLAYERS.**—Sam Mann undertakes to prove that he does not depend for fame on his late vehicle, "The Question," and therefore he presents this season a brand new playlet called "Home Made Justice."  
**JAY VELLIE.**—Half of the headline laurels go to Jay Vellie and those vivacious Blossom Sisters. Mr. Vellie started his dancing career as an associate of Berth Beri, who was an Orpheum headliner two weeks ago.  
The Blossom Sisters and two Kath leenes—Miss Hitchins and Miss Robinson, compose Mr. Vellie's company. "Mignonette" is the name of this offering.  
"Fifteen Minutes of Musical Foolishness" is the self-explanatory title of the act of Messrs. Kranz and White. These comedians are old-timers in the art of entertainment.  
A former New Orleans girl comes home—Miss Mary Duncan. With jolly Gertrude Moody, she will offer a mixture of serious and comedy music under the title of "Opera and Jazz, Inc."  
An inebriated gentleman who extracts melody from various objects lying about, and a dainty girl who plucks sweet chords from a harp—that at a glance is the act of the two Rozellas.  
**FREAR, BAGGETT AND FREAR.**—These three never miff a ball when they give their Baseball Idiosyncrasies." They are jugglers, who use baseball paraphernalia in their act.  
Your heart will skip at one point in the act of Rose-Ellis and Rose. That is when one of the team leaps while blind-folded from the top of a tall stack of barrels into an open barrel below.
