VOL. XXIX JANUARY 5, 1922 No. 35

WHISKEY "BEFORE AND AFTER".

The minority has a perfect right in this democracy to try to turn a majority against prohibition, but let's have no misunderstanding about the chief argument of the wets in their fight to overthrow the Eighteenth Amendment; to-wit:

"That bootleg whiskey is so bad that it is better for this nation to go back to the pre-prohibition whiskey."
The pot calling the kettle black. The whiskey made by the profiteering "distillers" during the last quarter of a century of wetness was fully as villainous as the stuff they sell today.

Listen to what the official United States government census for 1900 said (Twelfth Census):

"MOST (note that most) of the distilled liquors consumed as a BEVERAGE by the American people pass through rectifying houses. The different classes of rectified spirits range from the CHEAPEST CONCOCTIONS of neutral spirits and DRUGS to the simple blending of young and old whiskey."

That was 21 years ago. MOST of the liquors were that way then. In the next 15 years, nearly ALL OF THEM became rottener and viler and more poisonous. Whiskey drinkers were told that "blending" and "rectifying" made the whiskey better and they believed it BECAUSE THEY WANTED TO BELIEVE IT.

And all for the benefit of thieving, murderous profiteers who cleaned up untold millions every year and who posed as respectable citizens. The dog-gery saloon keeper was a paragon of virtue beside them!

But, anyway, let nobody tell you that bootleg whiskey of today is any worse than the poisonous chemicals men drank for 10 years before the 18th amendment.

HOMEY PHILOSOPHY FOR 1922.

"The art of government," says communist Bernard Shaw, who has made a fat fortune by writing brutal cynicisms, "is the organization of idolatry." Government in a democracy, is by the people and for the people. Without their consent it would not exist.

Rev. C. C. Wier, pastor, residence 236 Olivier street, phone Algiers 138.

Last Sunday we had the spirit of the season very much in all our songs and services.

We held an old fashioned Watch Night service at the church and we were thoroughly in accord with the glad bright services we had on New Years Day.

At the morning hour, the junior choir, with Dr. Fay and Mrs. Bell had special anthems. These were supplemented by a beautiful duet by Dr. Fay and Mrs. Jessie Summers.

At night Mizpah choir, with Miss Roberta Hafkes-bring at the piano, gave us three beautiful anthems.

The Mizpah choir has had several meetings recently of a social nature. On Tuesday they met with Mrs. T. P. Bell, 237 Bermuda and on New Year's Day they met with Mrs. Sanford Hebert, 210 Delaronde, until time to meet for the Watch Night service; and on Monday night they met at Mrs. B. H. Blakeman's home, 606 Belleville.

We have had meetings all of the week. Monday night the Board of Stewards met at the parsonage at the call of Chairman Zatarain.

Tuesday night the Woman's Missionary Society met in regular session with Miss Luella Drumm presiding; the Junior Epworth League met Tuesday night at the church with Naomi Hafkes-bring in the chair; the First Quarterly Conference of the year was held by the Rev. J. G. Snelling, presiding elder of the New Orleans District Wednesday night. It was a very important session.

Personals. The pastor has returned from a pleasant visit to his mother's home in Houston, Texas. During his absence the pulpit was filled by the Rev. W. G. Evans, both morning and evening, on Christmas day.

On December 24 occurred the death of Mr. W. H. Welby, age 64, and for about two years had been an inmate of the Bonner Home. His remains were laid to rest December 26, with the Rev. W. D. Kleinschmidt, pastor of the Louisiana avenue church, officiating. He was a native of New Orleans. To his loved ones we extend our sympathy.

On Tuesday, December 27, 1921, at the home of the bride's parents, Mr. and Mrs. J. Balk, 435 Opelousas avenue, Mr. Robert King and Miss Regina Balk were united in marriage, the Rev. J. A. Alford officiating. Mr. King is a resident of Lake Charles (who came over and claimed the hand of one of Algiers most charming girls, and who was raised in our Sunday School. We extend the happy couple the best wishes of the pastor and the congregation.

The following joined the church last Sunday: By transfer from Parker Memorial Church, Mrs. Mena Nash, and who will reside at 629 Elmira ave; Messrs. Roy, Leonard and Clark Nash

Boy Scout News

TROOP 32 GIVEN SURPRISE. As this past week has been filled with surprises upon surprises in all walks of life, this account is only one of the many that has been experienced.

The meeting took place at about 7 o'clock and the very large attendance was gratifying, although many of the regular old scouts were missing.

The meeting was opened with a salute to our flag, after which, our scoutmaster spoke of how many friends our Troop 32 had and he especially cited Miss Corinne Hughes as one of our staunchest friends and admirers.

The boys were invited to the dining-room, where all the good things of the holiday were spread on a cloth of yellow before them, and well might it be said "aint we got fun."

Miss L. E. Averill, another good friend of ours, presided at the punch bowl, and later in the evening furnished the music for the occasion.

Singing and dancing were enjoyed and some of the boys performed special stunts. Say fellows, you all know Isadore Davis, well he certainly was funny on this occasion.

As all good times must have an end, our boys reluctantly disbanded, wishing Miss Averill and Miss Hughes a very happy and prosperous New Year.

Among those who enjoyed the hospitality of these teachers were: Scoutmaster L. J. Schroder, Assistant Scoutmaster Hart Schwarzenbach, Scouts Roy Drumm, Ross Stenhouse, Joseph Koenig, Richard Stenhouse, Preston and Armond Delcazel, Faler Armitage, Earl Angelo, Frank Hawkins, Malcolm Schwarzenbach, Malcolm Schroder, William LeBlanc, Jno. Calvin, Frederick Kramer, Vincent Trauth, Wellman Bond, Osborn Hunter, Eugene Brown, Paul Pegue, Isadore Davis.

We want to IMPROVE your gas SERVICE and we want you to help us do it.

In a series of advertisements we are going to point out some of the ways in which you can help. First, we want to impress the fact that "poor" service is not wholly due to faults of the GAS MAN.

This fact is substantiated by the records, which show that 70% OF ALL COMPLAINTS RECEIVED ARE DUE TO LOCAL TROUBLES

"Local" trouble is trouble in the home, or defects for which the GAS MAN is not responsible, but defects the GAS MAN CAN help eliminate if given a CHANCE.

We want to explain to you what these defects are, where they are located and what causes them. We shall do this in this series of advertisements.

If you will read the advertisements, study them and then do the little things asked of you, your GAS TROUBLES will be greatly overcome and your service materially improved.

We sincerely trust that you will give us this co-operation.
