What \$100 Will Do

If you pay \$100 cash on purchase price on 40 acres of land, we will advance \$400 in building material to improve and fence your ground. We have enough confidence in our lands to put up \$4.00 to every \$1.00 paid by you and at a low rate of interest and long terms.

The land is limited and the proposition may be discontinued without notice.

We Thank You

At the beginning of the year we desired to thank our friends and patrons for their liberal patronage during the past season which was beyond our fondest expectations despite the fact that both local and national conditions were below normal.

We give good values and the best service possible. During the present year we propose to give even better values. This we hope to do by increasing the volume of our business. It will pay you to watch our ads each week as we propose to offer specials from time to time.

Straight From The Shoulder

To those who have been purchasing their furniture out of Bogalusa we want to suggest that if we do not carry in stock the identical article you desire we will get it for you and at a price and in many instances lower than you pay elsewhere. If you will keep your money at home and help your city and prosper and get the chance of getting it back, do not leave Bogalusa it is gone forever. The if any "go Wrong"
