

## Things You Get Here Without Extra Charge

There are some features about Selz shoes and the kind of service we render, in connection with their sale, you can hardly expect to find in the average shoe store.

One is: every shoe in our store is a live number, fresh, new, clean goods; not carried over from one to ten years.

Another is: we carry a very wide range of sizes and widths enabling you to secure a perfect fit. You will not be talked into buying footwear that don't fit. This is as much to our interest as to yours. Shoes last longer when properly fitted and it's our business to see that Selz shoes live up to their well known reputation.

Magic City Theatre

The coming week at the Magic City Theatre, may well be termed a week of features. Tonight (Thursday) Wilton Lackaye, the star of many productions, among the most notable "The Pit," will be seen in a five reel Broadway feature, entitled "The Man of Shame." This play is one that is classed as a masterpiece of photo plays, and is well worth seeing.

Many of the most noted movie stars will appear on the screen at the Magic City this week. To drive away the blues it would be well to see Charlie Chaplin and Mabel Normand in "Mabel at the Wheel," which will be shown Tuesday. The complete program will be found on page four of this issue.

IF YOU APPRECIATE A FIRST CLASS SHAVE OR A FASHIONABLE HAIR cut? You are doing yourself an injustice be not calling at the Dixie Barber Shop, corner Ave., F and 7th St., Bogalusa, La.
