NEXT LYCEUM DATE CHANGED; JEFFERSON HERE APRIL 17TH

The next number of the Y. M. C. A. Lyceum course will be given next Monday evening, April 17th, instead of Tuesday April 25, and those holding season tickets should bear in mind the change of date. This number is "The Stone of Baalbek" or Travelogue, by Leslie W. Jefferson. It is a picture pilgrimage from the pyramids to Panama, and promises to be one of the best numbers of the entire Lyceum course. Mr. Jefferson will have pictures shown of many of the world's most historic and interesting places, and will lecture on each picture. The press of the country are unanimous in pronouncing it one of the most novel and interesting numbers on the Lyceum stage today. Those who do not hold season tickets can secure admission tickets at the door.

McClellans All Fine

The many friends of W. F. McClellan and family, who left Bogalusa almost a year ago for Ton-

awada N. Y., where Mr. McClellan is general manager of a large paper mill, will be pleased to know that they are enjoying good health and like their new location very much. In a letter Mr. McClellan states that he notes from week to week the progress of the Magic City with great interest through the Enterprise.

Dance

The Saturday afternoon classes in dancing at the Pine Tree Inn under the directions of Mrs. Gremillion have proven such a success that it has been decided to give an open program and dance on Saturday April 29th from 8 to 12 p. m. for the benefit of those who can't attend in the afternoon. There will be a short program consisting of folks games and classical and popular dancing. After the program there will be good music and those who don't care to dance are invited to come and look on. Invitations may be had at the Pine Inn, phone 23. The young men are requested to make engagements at an early date.

WINNERS IN CONTEST ANNOUNCED BY JUDGES

Franklinton School Pupils Get Both First And Second Prizes

The contest inaugurated by the Washington Bank & Trust company in January, for the best essays on the Inauguration and life of George Washington, proved to be one of the most interesting contests ever held in the Parish. There were about 2000 replies submitted, and the task of selecting the best was a hard task. After the essays had been gone over by the judges several times the following winners were announced:

- 1st prize Velma Goodbee, Franklinton, La., \$15.
- 2nd prize, Elsie Magee, Franklinton, La., \$10.
- 3rd prize, Minnie Brumfield, Sunny Hill, La., \$5.

Don't Let Parker Hoodwink You

Don't let Parker hoodwink you, me... Nor pose before you as your friend; You country chaps better keep cool, For he was taught in Teddy's school, The man who with Old Booker T, Sat down and ate a frigatee. Now if you think he acted right, Then help his friend to win this fight.

Be cautious, though, before you leap Or in after years you may weep, All old voters in New Orleans Know what Teddy and Parker, means. This grand old state they want to split, Keep roasting Bob to make a hit. They say that Ewing leads the crew, Dictates and tells them what to do.

They'll never set this State on fire, By dragging Bob down in the mire. In every Parish that they stump, On loyal Democrats they thump, They tell you that the time has come, To rid the State of all such slum. Now what they say is all a farce, They know that Ewing is not boss. —T. M. New Orleans.

Picture Taking Weather

Spring time is an ideal time to take a picture of the children, or father or mother too, because you feel fresh and vigorous, and have your spring dress and other little articles which always assist in making a good pose and finish. The Kirtland Studio is prepared to make excellent pictures of the latest styles and the prices are lower than is usually charged elsewhere. Appointments can be made by phone, or if you have no phone, the photographer can be found during business hours, next to the Headley Hotel in North Bogalusa.

THE CUT OVER LAND DEPARTMENT

has been selecting the locations for 20 farms which will be improved this year. Twenty acres on each farm will be cleared free from stumps, plowed and planted to some good leguminous crop. A neat bungalow and barn will be built, well put down, and an orchard planted consisting of Satsuma Oranges, Pecans, Figs and Plums
In future the energies of this department will be largely devoted to the sale of these farms

We have a few improved farms which are now ready for sale

If you wish to purchase improved or unimproved farms write at once or call on
