## You'll Find Many Special Values Here

Just at the season of the year--in the very middle of the summer--you will find many values in almost every department of the Big Store. It is better to offer high class merchandise at a big reduction than to carry it over until next season and sell at full price. Chances are that it will be worth more next year because the price of almost every article has advanced considerably during the past few months.

**Spend One Hour Here Today**

visiting the various departments and you will find yourself well repaid for your visit. Almost any summer article you purchase now will give at least ten weeks wear this year and still be in good condition for next summer.

### New Goods are Arriving

You will enjoy seeing the new goods, late summer and early fall designs and our shirtwaist department offers some very pretty waists at very low prices.

Your Inspection Is Invited Without Any Obligation to Make a Purchase.
