

Extensive Changes About Completed

The extensive changes and improvements at the Bogalusa Stores Company are about completed and the store now presents a greatly improved appearance. Considerable new fixtures have been purchased and are expected to arrive within a few days. The most noticeable change in the store is the taking down of the high shelving so that every part of the store can be seen. The floor space of the second floor has been considerably increased and many changes have been made. Early this fall a complete line of ladies' ready to wear will be added to the store. This department will include the famous Wooltex ready to wear garments.

"A big treat in values will soon be announced" said Manager Swain, "when our clearance sale starts and it will pay the citizens of Bogalusa and vicinity to watch for it."

W.S.S.
Misses Ruth Stodgill and Miss Fannie Norman, two charming young ladies of Rayville, La., have been the guests at the Methodist parsonage for the past week. Mrs. A. Inman Townsley entertained a few of the social set Saturday afternoon at 4 p. m. at a lawn luncheon.

All Are Invited to Use Swimming Pond

"There appears to be a mistaken idea about the fine swimming pond we have made at the Pine Tree Inn," said Manager Leopold Saux. "The white citizens of Bogalusa, men, women and children are invited to swim in the pond just as often as they desire and no permission need be asked to do so," he continued.

The water in the pond is from the artesian well and the water is always in perfect condition. A beach has been made and the deep water staked off so that children can play in the pool without any danger. The public is invited to use boats and life preservers. The swimming pool was built for the convenience of the citizens of Bogalusa as well as the guests of the Pine Tree Inn, and the pond is large enough to accommodate all of the citizens and guests who desire to bathe at any one time.

TWO MARRIAGES OF INTEREST

Franklinians will be interested in the announcements of the marriages of two of our former girls, Zula Spring and Audena Reeves. Miss Spring was brought here by her parents at the age of twelve to be educated and lived here many years doing stenographic work till her family moved to Bogalusa, at which time she went to New Orleans and did office work till the first of June when she was married to Mr. Walter Barr of New York and the young couple will be at home on July 1, at Fort Jarvis.

The other marriage is that of Miss Audena Reeves, who taught here three successive terms and was elected a member of the faculty for next year. The groom in this case, Mr. David Sadler was also well known and liked in Franklin, having spent last winter at the hotel here where Miss Reeves boarded. These young people were married at the bride's home in Tylertown and will be at home after July 1, at the Y. M. C. A. Camp Shelby.

W.S.S.
BRAIZER, NOT JOHNSON
The committee of colored citizens in charge of the Fourth of July celebration desire to announce that the committee for the Fourth of July celebration should contain the name of Dr. Braizer, instead of Dr. Johnson. Dr. Braizer has taken a most active part in every patriotic move.

WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit. If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. F. Lee, Milstead, Ga., had female complaint for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Paralee Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.

"Love Me" at Magic City Theater Tonight

As the star in "Love Me" her latest Paramount picture produced under the personal supervision of Thomas H. Ince, charming Dorothy Dalton will win new laurels at the Magic City Theater tonight. She is supported by a splendid cast including actors like William Conklin, Jack Holt and Robert McKim, who, as will be remembered, have recently appeared with her in "The Price Mark," "Love Letters" and "Flare-Up Sal." The story tells of a western girl, Maida Madison, who conducts a winning fight to win the hearts of her husband's exclusive and somewhat frigid family, who on first acquaintance, are inclined to turn her a very cold collecting shoulder. There are some unusual situations, and the author, C. Gardner Sullivan has made of "Love Me" one of the most novel of recent photoplays. Also a good 2-reel Mack Sennett comedy. Admission, 10 and 20 cents.

The church choir rendered some choice music and Miss Ruth Stodgill sang "America, My Country." In response to the Gospel appeal several decided for Christ.
