LAND SAFELY "OVER THERE" WITH OUR BOYS

MAJOR JACK FRIEND
Of 114 Engineers 39th. Division

MAJOR LOUIE F. GUERRE
156 Infantry 39th. Division

Above are splendid and recent photographs of two Bogalusa Majors now in France, who are among Bogalusa's most popular citizens. Major Guerre organized the old Co. G in this city, and at the outbreak of the war was advanced from Captain to Major. He was formerly purchasing agent of the Great Southern Lumber Co.

Major Jack Friend attended the first officers' training school and was made a Captain, and a few months ago was promoted to Major. He was formerly Chief Engineer of the Great Southern Lumber Co. Both are in the same regiment as a large number of Washington Parish boys. Both Majors Guerre and Friend are members of the local lodge of Elks.

103 White Men To Go In Draft September 1

Over one hundred citizens of Washington parish will answer the call for selectmen next week, 93 of them will be called on Sept. 1, who will be sent to Camp Beauregard at Alexandria, and there will be another call between September 3 and 6th for 10 more men to go to Camp Bowie at Ft. Worth, Texas. There were two calls for colored troops, being call numbers 1215 and 1219, but Washington parish was not required to supply any colored troops under either of these two calls.

LARGE NUMBER OF BOGALUSA BOYS Y. M. C. A. Drive On REACH FRANCE SAFELY; CO. G THERE For 150 Members

Hundreds of Bogalusa and Washington parish citizens received cards Sunday and Monday announcing the safe arrival in France of about three hundred young men from this city, being the young men of this city who were members of old Co. "G," as well as about a hundred or more who were selectmen and who were located at Camp Beauregard. They left Camp Beauregard over three weeks ago and it was known that they would sail direct for France, but no mention of

it was made in order that their movements would not be exposed to enemies. Major Guerre, Major Friend, Capt. Faust and Capt. Le Blanc are with the boys which compose the 156 Infantry. The personnel and officers of the company included over 150 families from this parish. If the exact figures were known, it is believed that there are at least 400 young men, possibly more, in France today. Frank Sullivan, son of Mayor Sullivan, is among the Bogalusa boys who arrived in France last week.

The Membership Drive for 150 men is on, six days being allotted to 25 men to bring in six members. If your membership is about to expire please give your renewal to one of the committee, so as to keep things up to the standard. J. C. Mills, chairman of the Membership committee, will wait on you.

What the "Y" offers, or what constitutes the privilege of a member:

1. Senior members have use of showers and swimming pool, towels and soap furnished.
2. Reading room, with 34 magazines, 3 daily papers, local papers and library.
3. Pool tables and bowling alleys, the charge for members to use pool tables are only 10 cents per hour; bowling, 5 cents per game.
4. Use of gymnasium and all its equipment.
5. General use of Y. M. C. A. building for meetings and social intercourse.
6. Night school classes.
7. Lyceum course and moving pictures.
8. Tennis courts and a chance to enter all competitive athletic events.
9. Junior members have right to all games of Boys' Department, free of charge.
10. A chance to show the citizens of Bogalusa that you are in sympathy with an organization which strives to make you a better man physically, mentally and spiritually. Will you align yourself with that group?

HALF MILLION ROAD BONDS CARRIES BY BIG MAJORITY; FEW VOTES POLLED

The election held in Washington parish to vote \$500,000.00 for good roads was carried by a large majority despite the fact that the vote was light and several big property owners in Bogalusa did not vote at all. In Bogalusa there were 225 votes cast out of a possible 400. Of these votes, 214 were in favor of the tax and 11 against it. At Franklinton there were 37 votes cast, only 14 being against the good roads. Rio cast

13 votes, two of which were for the good roads and 11 against. In other sections of the parish it reported that the vote will be about divided, and the reports were so slow coming in that it was impossible to secure the complete returns, but it is believed that enough precincts have reported to show that the proposition has carried by about a two to one vote, also from a standpoint of property value.

Berenson's To Have Y. M. C. A. Sunday To North Side Store Be Observed Locally

Berenson Bros., of Columbia St., are to have a new and up-to-date store in North Bogalusa and last week they purchased the warehouse of R. L. Robinson, located on Austin street, next to King's Garage, and within a few days they expect to have a force of workmen remodeling the building and by October 1 to open the new store with a line of ready-to-wear, shoes, etc. They have secured the services of a successful New Orleans manager.

The call has come for additional men to serve with the Y. M. C. A. overseas and Washington parish is expected to have several men volunteer. Gov. Pleasant has set aside next Sunday as "Y. M. C. A. Recruiting Sunday," and every church in Bogalusa will have the work of the "Y" in France described. Those desiring to enlist are requested to consult J. L. Gourley, secretary of the Y. M. C. A. here.

SPECIAL MEETING OF MOTHERS' COMMISSION

The Mothers' Honor Commission will hold a special called meeting next Monday, September 2nd.

All members and prospective members are urgently requested to be present, as there are several important matters to be discussed at this meeting. The meeting will be held at 4 o'clock at the Y. W. C. A.

MORE COLORED MEN CALLED TO SERVICE

About 40 more colored men of Bogalusa were called into service last week and left Bogalusa for Franklinton Friday morning. They were given a big send-off, and a crowd estimated at 400 gathered at the station where some hysterical scenes occurred. The men appeared to be in the best of spirits.

WORK STARTS ON NEW \$100,000 ENTERPRISE

50 Men At Work and Carloads of Material Arrive For New Hardwood Mill

Work on the large hardwood mill of the Richard P. Bear Co., of Baltimore, which will cost in the neighborhood of \$100,000, and which will give employment to between 75 and 100 men, is well under way. They purchased about 35 acres of land near the Bogalusa Terrace, and during the past few days started work on their log pond, supply houses, and unloaded four cars of machinery and one car of rails. Three carloads of material is expected to arrive this week. A contract has also been let for the drilling of an 8-inch well and the drilling machinery is being erected. About 50 men are employed on the construction work and this number will be increased from time to time. With everything favoring, it is expected to have the mill completed within a short time and not later than six months from now. Arrival of supplies and labor conditions, of course, will effect the progress, but at the end of six months it is expected that the mill will be in operation. H. R. Duke, of Mobile, superintendent of the company, is here acting as manager for the present. When the mill is completed it will be a 8-ft. band mill with 12-inch saws. It will have a capacity of about 50,000 feet of hardwood timber which will be supplied from the operations of the great pine forests of the Great Southern Lumber Company.

The main building of the plant will be 200x45 feet, and provisions are also being made for a resaw which would increase the capacity from 10,000 to 12,000 feet per day. The plant will be steam driven, modern in every respect, and have water mains around the plant so as to give excellent fire protection.

A. J. Delahaussye Died Tuesday

A. J. Delahaussye, for the past year employed in the time office of the Great Southern Lumber Co., died at the Bogalusa hospital Tuesday afternoon from hemorrhages. His condition has been critical for ten days. Several members of the Elks, to which order the deceased belonged, had their blood transfused to him. The remains were taken in charge by the Elks and Knights of Columbus and sent to New Orleans where the funeral services were conducted Wednesday afternoon. He is survived by a widow. He was raising an adopted child as well as a nephew. He was 45 years of age and came to Bogalusa about one year ago.

JEWISH NEW YEAR TO START SEPT. 6

Starting Friday evening, Sept. 6, the Hebrew residents of Bogalusa will observe the Jewish New Year. As a result most of the stores on Columbia street will be closed from Friday until Saturday evening. On Monday, Sept. 17th, Yon Kippur will be observed which is the great fasting day of the Hebrews and all Jewish merchants will close their places of business from Monday, Sept. 17th to Tuesday evening, the 18th.
