

Last Regular Meet of Present Council Four Years on the Firing Line; Gassed

The last regular meeting of the present Commission Council was held Tuesday evening. The new council, elected at the September primary, will be sworn in at the regular meeting in December. At the meeting Tuesday evening the minutes of the previous session were read, which was the only business transacted. Mayor Sullivan was not able to attend. A special session will likely be called sometime during the present month.

"FLU" ON THE RUN

MRS. BRUNER RETURNS

Mrs. E. P. Bruner, who was called to the bedside of her mother at Vicksburg, Miss., two weeks ago, has returned home, her mother being greatly improved.

Bogalusa citizens were treated to one of the finest addresses by an officer of the Canadian army, who has spent four years on the firing line, that has been heard here for many months on Monday night. It was not known until Monday morning that Captain A. G. Peguegant (Captain Peg) of the Canadian Expeditionary Forces would speak the same evening. However, a crowd of several hundred gathered at Goodyear Park and were more than repaid, for besides giving thrilling experiences, Captain Peg proved to be a good officer. He urged a most liberal giving for the United War Campaign, telling what it meant to our boys. Captain Peguegant is touring the United States making patriotic addresses owing to the fact that he has just recovered from being gassed.

MADE FIRST SERGEANT

John S. Poole, son of M. Collier Poole, a well known Washington parish citizen, has been made a sergeant of the first class by his commanding officer in France. Young Poole received the highest appointment of any member of his company for the month the report was made.

By JAMES CARDINAL GIBBONS

THEY are our sons and brothers; flesh of our flesh. We have sent them across the sea to fight—but we are determined that they should know that the people at home are fighting with them, standing with them, shoulder to shoulder.

Why you should give twice as much as you ever gave before!

THE need is for a sum 70% greater than any gift ever asked for since the war began. The Government has fixed this sum at \$170,500,000.

By giving to these seven organizations all at once, the cost and effort of six additional campaigns is saved.

Unless Americans do give twice as much as ever before, our soldiers and sailors may not enjoy during 1919 their

- 3600 Recreation Buildings
- 1000 Miles of Movie Film
- 100 Leading Stage Stars
- 2000 Athletic Directors
- 2500 Libraries supplying 5,000,000 books
- 85 Hostess Houses
- 15,000 Big-brother "secretaries"
- Millions of dollars of home comforts

When you give double, you make sure that every fighter has the cheer and comforts of these seven organizations every step of the way from home to the front and back again. You provide him with a church, a theatre, a cheerful home, a store, a school, a club and an athletic field—and a knowledge that the folks back home are with him, heart and soul!

You have loaned your money to supply their physical needs.

Now give to maintain the Morale that is winning the war!

AMERICA in this war has done what no other nation ever did. She has carried the presence, the atmosphere of home into the camps across the seas, that everywhere the soldier may realize there are fatherly hands to help him, motherly hands to console him, friendly hands to entertain him.

"All these seven organizations now stand upon one platform,—that of providing recreation, entertainment and home comfort for our troops. From that common platform, all, together with one voice, will make a single appeal to the American people.

"These seven organizations have agreed by direction of the Government upon definite budgets and all are working under a general national committee upon which all are represented for a united war work campaign to raise the sum of \$170,500,000.

"Enormous as that sum may be, the American people will raise it—generously and gladly.

"When one considers an army of over 4,000,000; a navy that musters over 500,000 men in its service; the number and size of our camps; the buildings to be erected; the secretaries to be maintained; the equipment to be furnished; the visitors' houses to be built; the community service to be extended into every city and town of the country; the protective work most necessary and vital for all our people, which this war has given to us as our share to maintain, one will see that the sum is none too great for this enormous task.

"We cannot shirk it. We cannot shift it. To attempt to do so would be to prove false to the men who are giving their bodies and their lives for our national safety.

"It is an American campaign. Its appeal is one that no American may refuse, and America's answer will be another triumphant announcement that we are in this war as one people and as one nation to see it through to victory.

"The entire Catholic body of the country is organized to crown this campaign with victory. Every diocese has harnessed its own resources, will work with the state committees of the United War Work Campaign and give the utmost service."
