

# ARE YOU MAKING YOUR XMAS PURCHASES THIS MONTH?

Don't think that just because the war has ended that your co-operation is not needed, for the government is asking you to continue several of the plans which were announced months ago. One of them is the purchasing of Christmas gifts as early as possible. This store is "brimful and running over" with the choicest line of articles, which were purchased for Christmas giving.

Toyland is open and we are showing a wonderful assortment of every kind of toys. There are many mechanical ones which the grown-ups will enjoy as much as the children. Then we are showing many pretty and sensible articles for the little folks, which will give pleasure, comfort and service. Spend one afternoon at this store and see for yourself the great variety of fine gifts assembled here.

**MANY ATTEND FUNERAL**  
The funeral services over the remains of Ada Mae, 16-year-old daughter of Mr. and Mrs. E. A. Quick, were conducted at the family residence last Thursday morning and it was an extremely sad funeral. The Reverends Townsley and Brakefield conducted the services at the house and grave. The Camp Fire Girls and Boy Scouts attended in a body and acted as pallbearers. The remains were laid to rest in the Bogalusa Cemetery. A large number of friends attended the services, including several from out of the city.

**REPORTED MISSING**  
The casualty list which appeared Tuesday night showed the name of Felix Dawson of Bogalusa as among those reported missing in action. No information could be secured as to when he left Bogalusa or the address of relatives here.

**MRS. BOWIE HERE**  
Mrs. Henry T. Bowie of El Paso, Tex., who has been doing Y. W. C. A. war work in France, made a splendid address at the Y. W. C. A. Tuesday evening to the workers of the United War Work Campaign drive. Her address was most interesting and Mrs. Bowie gave some wonderful experiences and as a result of her address new enthusiasm was given the workers.

**GOING 100 PER CENT**  
Bogalusa, La., Nov. 6, 1918.  
Mr. J. H. Cassidy, Bogalusa, La.:  
Dear Sir—I am in receipt of your letter of the 30th ult. regarding the United War Work Campaign that will commence November 11, and which will close on the 18th.

We are going to try to make Marston Camp 100 per cent patriots, and we don't believe we have a man on the job that will not gladly donate one day's work to this great cause.

We believe that \$1000 will be a conservative estimate of what we will be able to raise.

Yours truly, J. B. CALVIN.
