

Our Friends Send Greetings

*May All Your Hopes
and Ambitions Be
Realized During
1923.*

The past year has been one in which great progress has been made, and we know that you have planned greater things for the coming year. In all your plans for a greater and better Bogalusa, we will deem it a great pleasure to co-operate with you. It is with this hope that we united to wish you a Merry Christmas and a Happy and Prosperous New Year!
