OF LOCAL INTEREST

Musk melons are ripening now, and soon there will be a supply in this city.

There is a movement on foot by some of the progressive citizens to have a July 4th celebration.

During the absence of Miss Mizzi this week Miss Iolite Trahan took her place in the private school.

The new cotton gin which Mr. C. S. Steen is building, in the Godchaux addition, is going right along.

The nice rains that we have had during the last few days have helped the growth of the weeds very noticeably.

The Eastern Star met last Friday afternoon in regular session. After the meeting adjourned refreshments were served.

The "300" Club will meet this afternoon at the residence of Mrs. Felix J. Samson, with Mrs. Oliver Landry as hostess.

Mrs. Henry Brossard entertained at dinner Wednesday evening, Miss Monte Theobald, Miss Kate Chambers and Mr. J. M. Newton.

Last Saturday the Fairbanks Morse rotary pump was demonstrated at the hardware store of Mr. J. A. Summers. It will be in operation again today.

Dr. Presley J. Kibbe, formerly of Erath, but now of Gueydan, having recently gone there to make his future home, and practice his profession, has provided himself with an auto, a Hupmobile.

Messrs. Albert Kurt and Frenzelle Nauck entertained quite a host of friends Saturday afternoon. All sorts of outdoor amusements were indulged in till a late hour. Delicious refreshments were served.

Annie Mai Dubus, the little daughter of Mr. and Mrs. A. A. Dubus, had the misfortune of breaking her collar bone Sunday evening. She is now getting along nicely, although the injury was very painful.

The home of Mr. Verne Caldwell is receiving some finishing touches, in the way of ornamental work. The building is of brick, and when all the work is finished will be one of the prettiest homes of the kind in the city.

Tomorrow the Tigers will journey over to St. Martin where they hope to put up a good game with the team of that place, and it goes without saying that they also hope to win the game, but you never can tell what tigers will do.

The game of baseball here Sunday between the Tigers and Milton was quite an interesting game, although the attendance was not very large on account of the rain. The game resulted in a victory for the Tigers, the score being 7 to 6.

Last Friday night Mrs. J. A. Summers entertained Miss Lydia Trahan, Bessie Flemming, Margery Kilpatrick, Sadie Spruill and Monte Theobald; Dr. Marshall Boudreaux and Messrs. Simon LeBlanc, Luther Blanchard, Frank Summers and W. W. Montagne.

Miss Pauline Mizzi opened up a private school Tuesday morning, and had a nice enrollment to start with, the number attending was twenty-five. Miss Mizzi is much interested in the welfare of the younger people, and takes great pains in the work of her profession.

In the near future there will be a play put on by local talent for the benefit of the Abbeville band. Rehearsals are now being made and there is a full cast. There has never been any request from the band boys for assistance, and it is their desire to have a good patronage when play is given.

The Abbeville Band has received a shipment of instruments and it will not be long until regular practice will begin. There are twelve beginners in the band and that alone gives the best promise of a good band in the future. There are several in the band that are ready to play, as soon as they get a little practice.

A very pleasant trip was made to the bay last Sunday, where the participants enjoyed the outing. The party was composed of Mr. and Mrs. Hank Ewing and family, Mr. and Mrs. Cobbs and family, Mr. and Mrs. Blanchard and family, Mr. and Mrs. Adams, Miss Adams, Frank Strickland, Mr. Fice and Mr. Graham.

We are reaching an age now when we do not have so much worry about keeping small ingredients that go to make up biscuits and cakes. Manufacture is now turning out an article called "self-rising flour" already prepared for use, and has proven to be better, in every respect, than the old. Mr. C. P. Grimmer, who advertised it a couple of weeks ago reports that he is selling quite a quantity of it.

Messrs. Samson Chauvin, Louis Nini and Rock Brossard were visitors to New Orleans last Thursday, where they went to get three Hupmobile cars, delivering one at Thibodeaux, one at Franklin and bringing the other one here. They made the trip by road, which is 240 miles from here to New Orleans. All three of the cars were touring cars. The roads were simply fine and permitted them to make a fast trip, although they stopped at many places, staying in Thibodeaux two days.

It Wins its way by service

L. C. Smith & Bros. Typewriter

(Ball Bearing - Long Wearing)

In buying a typewriter you want a satisfactory answer to three questions: What will it do for me? How well will it do it? How long will it do it?

By answering these queries with the needs of the typewriter owner and user in mind, the L. C. Smith & Bros. Typewriter Company has attained the front rank in the typewriter field.

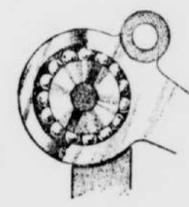

Some people think that a typewriter is a typewriter and that is all there is to it. Machines may look alike but there is a lot of difference in efficiency.

The new Model Five is built not only for straight correspondence but for tabulating, billing and in fact for every service needed in the average business.

Its ball bearings at all points where friction develops through action, permit close adjustment and insure correct and accurate typewriting.

We would like the opportunity to tell you more about it. Write for free book of our new Model Five.

Big Tract of Land Bought.

Chicago and New York capitalists and land operators, backed by millions of dollars of assets, have just acquired by purchase 106,000 acres of Louisiana marsh land at a price of \$265,000, one-half of which was paid over in cash says the Item. The deal was completed Friday by Perry Ulrich, capitalist, of Chicago and the papers in the big transaction were recorded Saturday by Attorney John Dymond Jr. in Cameron and Vermilion parishes, where the land is located.

This is said to be one of the largest land deals ever consummated in the South and it involves vast reclamation plans that, mean ultimately the expenditure of several million dollars in drainage and improvement work.

The purchasers are men of wealth and said to be able to finance amply the complete development of the purchase. Although the development plans are not given out in detail, it is said the immediate improvement of the big tract is contemplated.

The tract of 106,000 acres lies to the south of White Lake and skirts the gulf coast for 30 miles. It is in one body, bounded on the west by the river and stretching over to the Grand Chenier ridge.

About 25,000 acres of the land lies in Vermilion parish and the balance in Cameron.

"The deal involves about \$265,000, one-half of which was paid in cash.

Two companies have been formed to develop this tract. The Louisiana Land and Mining Company has taken over 86,000, and the Cameron Parish Land and Development Company has taken 20,000 acres. New York and Chicago capitalists are back of each.

Ursin Bernard Dead.

Died, on Friday morning June 13 1913, at 8 o'clock, in New Iberia, La., Ursin Bernard, born April 24, 1863 in the City of New Iberia.

The Deceased was brother of Mrs. Geo. W. Dallas, and Miss Alice Bernard of New Iberia, Mrs. J. A. LeBlanc, of this place. The funeral services were held at the home of Mrs. Dallas Saturday at 5 o'clock, after which the remains were interred in the family burial lot in St. Peter's Catholic cemetery, at New Iberia.

A good many people are "wavering" in their decisions to buy homes this year. Perhaps they've answered a good many ads, but have not found the right sort of proposition. Your "Real Estate For Sale" ad may have a special and deciding influence upon such people.

Pate Family Visits Here

About six or seven years ago a family left this city after residing here for many years, the father was a musician and taught a few students, he was admitted to be capable of teaching them, but the man was not satisfied with appreciation of the citizens. The only good band we ever had was when he held the leadership. The few who encouraged the band was not enough. He was allowed to leave here, taking his devoted wife, his son Roy, and two sweet little girls, Myrtle and Verna. Now they are known as the professional musical family. Prof. H. W. Pate, with his family has traveled all over the country and has made a record for himself, as well as all.

Just to think what the people of Abbeville had and could not appreciate it. Never again will we have the chance like the one we once had.

They have been playing at the Victor Theater all this week, being with the Wood-Ray Company.

While here they were the guests at the home of Dr. and Mrs. R. P. Nelson.

For quick delivery phone 203 and your order will receive prompt attention, Stansbury and Co.

The Wood-Ray Stock Co., which played at the Victor theater this week, has been quite successful in drawing a full house every night, and those who attended the shows were well pleased with the performances.

The Musical Pates are a great attraction in themselves. Prof. H. W. Pate, his son, Roy, and two daughters, Myrtle and Verna, have displayed a musical talent second to none.

It will be remembered that the Pates lived here for many years, having left here about six years ago.

Awfully Bright--Shines.

It will be but a short time when there will be water melons on the market--not from Florida, but home raised. Strange how a merchant will buy away from home when they can get it at home. In fact we all have a kick coming. Merchants will not pay high prices for home raised stuff like they will for that raised away from home, and vice versa with the consumers. We ponder over the thought of who started this way of doing business.
