A matter that would be of great benefit to this community would be for the motor car, which leaves here early in the morning, to leave still earlier so as to connect with the early train to New Orleans.

Regarding the exposition which New Orleans is to have, will no doubt be one of the greatest things towards furthering the development of this section of the country.

Don't neglect to pay your poll tax. There are but a few days left, and if you neglect to pay it you will not be able to vote for two years, and you miss many chances to vote in that line.

It would be much nicer, indeed, if our sidewalks and corners in the main business section, were not blocked by those standing. There are many who are much bothered by this, and especially the ladies.

So far our mayor has "put his foot down" on street fairs, and it seems that he will keep them out. A street fair is of no benefit to our little town and should forever be barred.

Circle Celebrates.

Tuesday night the Woodman Circle, after the regular routine of business was transacted, turned in to celebrate its fourth anniversary.

Chicken and turkey sandwiches, celery, olives, cake and eggnog were among the good things. After partaking of the refreshments, the members and guests enjoyed some singing by Mr. Roy Gyves, with piano accompaniment by Mr. M. J. Detweiler.

This circle enjoys the honor of being ranked third in the state, and so far not one death has occurred among the members.

The protection of women and children is only one of the chief values of the telephone on the farm. You can have this service at small cost.
