Save Pennies—Waste Dollars
Some users of printing save pennies by getting inferior work and lose dollars through lack of advertising value in the work they get. Printers as a rule charge very reasonable prices, for none of them get rich although nearly all of them work hard.
Moral: Give your printing to a good printer and save money.

Gifts for Baby

Christmas brings to the baby many dainty gifts. A pillow of wash silk and a little jacket of pink flannel are shown in the picture above, both of them glorified by trimming of narrow satin ribbon. A small oblong pillow of down is provided with a silk cover, having loops of ribbon set about the edge. A quilling of satin ribbon finishes the edges of the jacket.

Furbelows for Maids

Many a fair maid will rejoice in such new and smart furbelows of ribbon as are pictured here, when Christmas brings her remembrances. Here is a collar, vestee and girle with a bag to match that are irresistible. This garment for the waist is made of striped ribbon—showing the glowing colors in Roman stripes.
The girle is knotted at the left side and hangs in two pointed ends. The bag is drawn up and suspended by narrow satin ribbon, has a silk ornament, like those on the collar, at the bottom.
