TAKES OFF DANDRUFF. HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

This, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will try a little Danderine. Save your hair! Try it.

Signed—C. C. Allums, H. B. Wimberly, S. P. Stewart, O. G. Thomas, H. C. Cook, T. H. Mosley, L. B. Cook, J. B. Martin, S. J. Burkhalter, E. C. Cook.

'T WAS A LUCKY DAY SAYS MRS. O'CONNOR

Her Improvement After Taking Tanlac, Was Simply Wonderful

"It was certainly a lucky day for me when I got my first bottle of Tanlac," said Mrs. John O'Connor, of 338 East Oldham St., Knoxville, Tenn.

"For five or six years," she continued, "I had been in a dreadfully run-down and nervous condition, was awfully weak and suffered with spells of dizziness. I had terrible nervous headaches and my stomach was so weak I couldn't digest even the lightest kind of food. I could sleep very little and became so despondent that I was afraid nothing could help me regain my health.

"I wouldn't have believed it if anybody had told me any medicine would cause me to gain eight pounds in ten days, but that is exactly what Tanlac has done for me. Soon after I started taking it I began to eat better, sleep like a baby and feel just fine and my steady improvement has simply been wonderful. I have thrown away all my other medicines and will stick to Tanlac, for I think it is the finest medicine on earth."

Tanlac is sold in Arcadia by the City Drug Store and by one reliable representative in every town.

HARPING ON 14 POINTS

GERMANS SAY NOTHING ELSE IS ACCEPTABLE.

Berlin Dispatches Say Delegates Will Reject Any Elaboration of Old Peace Plan.

The Hague.—Berlin advices, summing up the attitude of toward the prospective peace terms, suggest that German delegates will refuse to sign any settlement which, in their opinion, goes beyond President Wilson's 14 points. This view is shared by the military elements and politicians of the right, the greater part of the center, the half of the Democrats that favored the unrestricted U-boat warfare and a majority of the Socialists.

The left wing of the Democrats, including Gerlach, Harden and their following, with the Independents alone, are ready to sign without further ado. Sunday's demonstrations in Berlin against territorial concessions culminated in cheers for Ludendorff, cheers for the former kaiser and the waving of the black, white and red flags.

At a Socialist party conference at Weimar on Sunday, Premier Scheidemann said the Bolshevik movement in Hungary was the result of the entente policy of imperialism, and if Germany was so demoralized as to allow herself to be robbed of Danzig and the Saar district, the time would be ripe for Bolshevism.

The Cologne Gazette's German correspondent attributes the events in Hungary to an agreement of the extreme Bolshevik and National elements. It is thought possible that if Bolshevism succeeds in establishing itself in Hungary it will spread to the Balkans, and possibly blaze up again in Poland.

SALARIES INCREASED

Is your school out? You ought to double your present salary before school opens in the fall. You can earn that increased salary not only while school is open, but during the entire spring, summer, fall and winter. Therefore, you will draw twenty-five to fifty per cent more salary during a year than you would at the same rate teaching only during the school terms and spending your savings after school is out.

The door to the world of business is open. Every where help is needed and excellent pay is offered. Business is going forward at a rapid rate. There is an unlimited demand for properly trained commercial help. Teachers can qualify for a more agreeable position with a better salary. The same qualities that make a successful teacher will help you to succeed in business where the opportunities are greater. The fact that you are well grounded in English and Mathematics will make it easy to fit yourself for the higher salaried positions. Take advantage of this opportunity by getting our Commercial Training. In three months you will be ready to accept one of the many good positions that await you.

What you can do in business, you can do as well in Civil Service. Your ambition to travel to see our great Capitol, Washington, D. C., is easily achieved. Uncle Sam offers good salaries to beginners who are properly trained. Our graduates are successful in this work. Many enter school with Civil Service in view; many decide upon it after they are in school, and large numbers of our former students have changed their business positions for Government positions.

Your education and experience will both be helpful in preparing for the Civil Service examination that you must pass to be appointed to a position as Bookkeeper, Stenographer, Typist or Clerk. These examinations are not difficult for any one who has completed our Civil Service course. Both men and women are appointed and beginning salaries are now \$1,000 to \$1,200 a year, with permanent employment at Washington or in one of the government offices throughout the country.

There is also an increasing demand for commercial teachers in high schools and business schools. The position of Commercial teacher is more pleasant than work in the grades. The work is also easier because the students are older, have fixed purpose in their studies, and the matter of discipline becomes a minor one. You can earn more than your present salary without entering an entirely new field.
