The commencement exercises at the school auditorium Sunday morning were well attended. The musical program directed by Mrs. Capers was good, and the commencement sermon by Rev. W. H. Jordan of the M. E. church, was a classic. His theme or text was "Life" and was an inspiration. The rostrum was beautifully decorated with magnolia grandiflora, crimson poppies and pink hydrangea, the color scheme of the cutflowers sustaining the class colors of pink and white.

The friends of Mrs. A. D. Henry and daughter, Miss Norris, deeply sympathize with them in the irreparable loss they have sustained in the death of their husband and father, Mr. A. D. The Parent-Teachers' Association met at the high school auditorium last Wednesday afternoon, and although the attendance was not so large, an interesting program was rendered and those present enjoyed the meeting. Mrs. P. A. McGuire read a very interesting article from the Literary Digest, entitled "Foster Parents of America."

Mrs. A. L. Crowson's message "From a Mother to Mother" was fine and right from the heart. The banner which is given at each meeting to the room, whose pupils have the largest attendance of parents at that meeting was presented to Miss Inez Baker's room. Miss Florence Sutton's room was a close second. This method of procedure was suggested by one of the mothers as an incentive to attendance by the parents. The association has disbanded for the summer with the exception of a call meeting to arrange plans for a reception for the teachers when they assemble for the fall term.

The following letter from Mrs. Eleanor Wilson McAdoo (Mrs. Wm. G. McAdoo) has been received: "After your self-sacrificing and inspiring service, as an officer of the Liberty Loan committee, I come to ask for a little more of your time, strength and devotion.

"During the week of June 8th to 14th, the Boy Scouts of America will ask for 1,000,000 associate memberships, and they have appealed through me to you, to aid them.

"I cannot ask you to do this in connection with your Liberty Loan work, but I do ask it because you are a part of our great organization and in touch with the men and women of your parish.

"We will not be called into service again to sell bonds, and I can think of no more fitting thing that we could do now, than to help our boys along the path of good citizenship by aiding the Boy Scout movement. Please volunteer your services through the local citizens committee. Thanking you in advance for your assistance, which I know you will give. Sincerely, ELEANOR WILSON McADOO, Chmn National Woman's Liberty Loan Organization.

These letters are sent to the parish chairmen and they in turn request every ward chairman to assist in any way they can to encourage this great movement for the future citizens of our country.

Mr. McAdoo, also sends out a circular letter, in which he says: "Every American woman I know feels a profound interest in this noble work. You have done such glorious things for your country in every way, that I

feel I can appeal to you confidently to help make a success of this campaign. One of the most vital movements in the country is the training of American Boyhood in the higher conceptions and duties of American citizenship."

On Riches. I cannot call riches better than the baggage of virtue. For as the baggage is to the army, so is riches to virtue. It cannot be spared nor left behind, but it hinders the march; yea, and the care of it sometimes loseth or disturbeth the victory. Of great riches there is no real use, except it be in the distribution; the rest is but conceit.—Bacon.
