CALOMEL DYNAMITES

A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

C. C. TRAVIS AND BILL DAVIS HAVE DIFFICULTY

C. C. Travis, foreman of the Bienville Democrat, and Bill Davis, son of W. R. Davis, a shoemaker, were summoned to appear in Mayor's court this morning, the former to answer to the charge of fighting on the street, and the latter to answer two charges, fighting on the street and cursing on the street.

C. C. Travis entered a plea of guilty as charged and was fined \$2.50 and costs. Bill Davis pleaded guilty on both charges and was fined \$2.50 and costs in each case. Both paid their fines.

The difficulty arose out of something the Davis boy had said to Mr. Travis, younger brother.
