WATERWORKS MAN GIVES OUT FACTS

AFTER SEARCHING FOR YEARS HE AT LAST FINDS MEDICINE THAT ENDS TROUBLES

"I have been trying for years to get something that would relieve me of my troubles and have found it at last in Tanlac," said Alfred Jolly, of 3291 Quinman street, Denver, Colo., and an employee of the water works department of that city. "For a long time," he continued, "my stomach was in such an awful fix that I could eat hardly a thing without being in misery afterwards. Even the lightest foods would blot me up with gas and I was constantly belching up sour, undigested food that at times would almost choke me, and often I would get so dizzy and light headed that I would almost fall down, and would get so nervous that it was almost impossible for me to rest at night. I suffered agony from rheumatism and was in such a wretched condition that I was hardly fit for a thing. "After trying nearly everything I could hear of I took Tanlac, and it sure hit the spot and has made a different man of me. My appetite is splendid, my nerves steady, I sleep like a log at night, have gained eight pounds and am in better shape than I have been in years. Tanlac is sold in Arcadia by the City Drug Store and by one reliable representative in every town.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

Beware. The frequent repetition of any facial expression causes permanent alterations in the expression, and these correspond with, and suggest to the beholder, the emotional state that has predominated; so that the man who is always laughing comes to look "a jolly man," the thinker a thoughtful man, and the woman who worries begins to wear a worried look that persists.

Could Verify Statement. "There are songs," said the musician, "that never, never die. They go ringing down the ages." "That is true, sir," Brown replied. "For the past six months and upward I have heard my daughter try to kill two or three each evening, but they never, never die."
