LOCAL & PERSONAL

H. E. Brown, Jr. Telephone No. 34

Mr. and Mrs. J. T. Theus and little daughter, Margie, of Grand Bayou, were guests in the home of Mr. and Mrs. V. C. Pipes a few days ago, coming over from Shreveport.

Mr. Newton Lammus of Miami, Fla., has recently arrived in Arcadia to visit his father, Mr. J. N. Lammus, who is temporarily located here while conducting his oil activities.

Mrs. Breaux the overseas Red Cross nurse, who lectured at the M. E. church last Saturday evening in the interest of the coming drive, had a small but appreciative audience, who enjoyed very much her experiences "over there."

Rev. J. C. Cox filled his appointment at the Baptist church on Sunday morning and at night. A pleasant feature of the evening service was the reading of letters of regret from former pastors and others, who could not attend the dedication services of the new church house.

The Baptist W. M. S. met on Friday at the church, and Mrs. Brewer conducted a program on the \$75,000,000 campaign. Several ladies talked of some especially appealing features of the great plans that are about to be realized and which will mark a new era in Baptist history.

Mrs. Robert Butler, who has been convalescing after an operation in the Schumpert Sanitarium, Shreveport, continues to improve and is expected home soon. Mr. Butler, went over to Shreveport to spend the week-end with Mrs. Butler. Little Thomas is still in Monroe with his aunts, the Misses Butler.

The many friends of Mrs. Mary Conger White are rejoiced to know that she was so fully recovered from her recent operations to be able to return home on last Friday. She was fortunate in having her brother, Dr. Beeson Conger with her during her operations and illness and he also went to Shreveport to accompany her home, all of which was a great comfort to her mother. It is hoped that she will soon be quite her bright, cherry self

Mr. and Mrs. J. M. Walthall's friends here will be interested to know that she and Mr. J. W. Danon were recently married in San Diego, Calif., and will soon go as missionaries to the foreign parts of the world.

Mr. and Mrs. E. H. Payne were called to Jennings Tuesday by the critical illness of their son-in-law, Elmer Taylor.

again. Mr. White also accompanied Mrs. White home and their friends are glad to know that they will remain in Arcadia.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

ARCADIA HIGH SCHOOL NOTES

(By Miss Key)

Quite a large number of students enjoyed attending the "Victory Fair."

Miss Claribel Cowley had the pleasure of spending last week-end at her home in Mansfield.

The daily papers and magazines of the reading room are the sources of great pleasure. In addition to that there is afforded a vast store of material that can be used in English work, making it more interesting and

more in touch with present day happenings.

This week closes the second month's work. In many respects our work has been quite satisfactory. The pupils are interested in their school work. At an early date, we will have our report cards ready for distribution. It is our desire that these cards be read and signed by the parents before being returned to us. By such a method we are telling you to the best of our knowledge what progress your children are making in school.

On Tuesday evening the "Columbia Sextette," the first attraction of our lyceum course rendered a most excellent program. The success of this, insures the support of the public, which will be most gratifying to the citizens of Arcadia as well as the Dixie Lyceum Company. Quite a splendid audience composed largely of high school students, also many of the younger children enjoyed most heartily the entire program of the evening.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
