Nothing is more annoying and no more people more digging than facial eruptions.

These disgusting blemishes are often caused by local disorders of the skin, which require medical treatment.

Occasional applications of ointments and lotions do not correct these troubles.

#### IN MEMORIAM

In memory of Mr. George Robinson Sutton, who passed from this life to the land of the "Great Beyond," on Friday morning, July 7th, 1922. The subject of this sketch was born in Lawrence county, Mississippi in 1843. In 1849, when he was only 6 years of age, his father moved to Bienville parish, Louisiana, and located near where Arcadia now stands. July 27th 1858, he was baptized into the fellowship of the Bethel Baptist church. Sometime during the war, between the states this name was changed to Arcadia Church.

Nov. 1861 Mr. Sutton left home for Columbia, Ky., to enlist in the army. At first the Company was known as Co. G, 12th Louisiana, but shortly after changed to Co. B, and remained such until the end of the war. He was in several hard fought battles, and was severely wounded at Peachtree Creek, near Atlanta. In 1865 he was furloughed home and while there, peace was declared. Mr. Sutton was indeed a devoted and loyal patriot of the "Old South". The best years of his boyhood were given to the Southern Confederacy and to his last days he loved the "Lost Cause", for which he struggled so bravely, but he bore defeat with courage and gave his manhood to high and commendable endeavors.

He was deeply spiritual, and devoted to his church and held the office of deacon for nearly fifty years. He was one of the greatest workers for the Sunday school, rarely ever missing a meeting, when in health. He taught various classes and was dearly beloved by all of his pupils. After his health was too delicate for a regular teacher, he was an honored member

of the Men's Bible Class.

It can be truly said of Mr. Sutton that he was one of our most universal beloved citizens, having lived here practically his entire life. None could say naught against his character. "An honest man is the noblest work of God".

He gave cheer and helpfulness to all who met him and in his home was a sweet and guiding inspiration.

The funeral service was held at the Baptist church Friday afternoon at 5 o'clock, Rev. J. C. Cox conducting the impressive ceremonies. The Supt. of the Sunday school, past and present Mr. Y. M. Lyons and Hon. W. D. Goff also speaking a few words of tribute.

It was an impressive moment, when four white robed members of the Ku Klux Klan filed down the aisle, knelt before the casket and laid their offering of flowers, a flaming cross on the bier.

Commander of the Arcadia Camp U. C. V., carried the Confederate flag, and stood it near the casket at the church and cemetery.

A large crowd of sorrowing relatives and friends were present and many beautiful floral offerings made the grave a mound of flowers.

Those who survive Mr. Sutton are his sons, Mr. Shade Sutton, of Arcadia, Mr. Jo Sutton of Abilene, Texas, Mrs. Minnie Washington, of Alto, Mrs. Byron Vaughn, of Monroe, Mrs. B. A. Brewer and Miss Florence Sutton, of Arcadia. There are many nieces, nephews and grandchildren, all of whom were present. May the Lord whom they serve, comfort their hearts.

Sometimes, when all life's lessons have been learned,

And the sun and stars forevermore have set;

The things which our weak judgments here have spurned,

The things o'er which we grieved with lashes wet,

Will flash before us, out of life's dark night,

As stars shine most in fairs of deepest blue,

And we shall see how all God's plans are right,

And how what seemed reproof, was love most true."

"Then be contented poor heart,

God's plans, like lilies pure and white unfold;

We must not tear the close sheet leaves apart

Time will reveal the calyxes of gold,

And if through patient toils we reach the land,

Where tired feet, with sandals loosed, may rest,

When we shall clearly know, and understand,

I think that we shall say, "God knew best."

#### CARD OF THANKS

We wish to express to the dear people of Arcadia our sincere thanks and appreciation for your loving ministrations and sympathy during the illness and death of our beloved father, G. H. Sutton.

We shall ever remember with profound gratitude, that by your thoughtful kindness, his days of waiting for the "call to come up higher" were filled with the joys of friendship and the fragrance of flowers.

We thank the Sunday school, Men's Bible class, Dorcas Band, Woman's Missionary Society, Eastern Star, Ku Klux Klan, and individual friends for the many beautiful floral offerings.

#### METHODIST CHURCH NEWS

Next Sunday Miss Glover's class will give some songs and recitations and one of the little girls will tell the Lesson Story as a special feature of the Sunday School.

Last Sunday's attendance at Sunday school was up to the average notwithstanding the special services at Mt. Moriah, which drew a very large crowd, and was an occasion of refreshment and edification.

Dr. Wynn gave a practical sermon on words "I Know Thy Works". He used as a context the whole of Revelations chapters 1 and 2. The message to the seven churches and from his graphic description of each, anyone could easily see the condition of his own church. The music was rendered by the young people of Mt. Moriah to the delight of all present.

After the conclusion of the morning sermon the congregation was served to a beautiful repast, which more than maintained the record of hospitality of these people.

The conference in the afternoon revealed a better financial standing of the charge than for many years. The salaries of the preacher and presiding elder being paid up to date. Under the leadership of Mr. F. E. Wilkerson the new secretary and treasurer of the church it is fully expected to see the Arcadia charge take a decided step forward.

Miss Loda Reynolds class taught by Mrs. F. E. Wilkerson in the absence of the teacher had a lawn party on Mrs. Dr. Ben Ferguson's lawn Tuesday evening. After a pleasant season of games, refreshments were served by
