TOWN AND COUNTRY.

When you want any fire insurance written see Ordway & Richard.

Mrs. A. J. Bru spent a few days in Franklin with relatives.

We hold a communication from Mr. C. H. Bradley which has been crowded out of this issue.

Mrs. Sarah Klaus and her charming sister, Miss Gussie Wolf, of Washington, visited relatives in this town Sunday.

Mr. W. C. Triay and his little nephew, Master Willie Winkler, of Washington, visited relatives and friends in Lafayette Sunday.

Mrs. Armand Levy and children, of Lake Charles, who have been on a visit to her parents, left for home Sunday accompanied by her sister, Miss Louise Bendel.

Mr. Sidney Veazey will, commencing tomorrow, run a hack to Beausjour Springs, starting at 5 o'clock and will make trips as often as necessary, and the fare for the round trip will be only 25 cents. And will make trips thereafter every Sunday and Thursday. Those wishing to go by this conveyance will so inform him and he will call at residence.

The Gazette received an invitation from Mrs. E. W. Glenn, principal, and Prof. C. Heichelheim, assistant, to attend a picnic to be given by the patrons and children of the Carencro public school on June the 15th at Carencro Springs. We regretted very much that a press of business, that could not be deferred, prevented us from taking part in what we feel certain was a very pleasant outing.

A band of Bohemians struck town last Tuesday with four bears and four monkeys and gave what they advertised as an "interesting, amusing and entertaining exhibition." It was in reality a first class fake and they should be run out of any town they may enter.

Mr. John O. Mouton has purchased a motor, and will run electric fans through all rooms as well as the saloon in his building near the depot. When you feel your're getting "hot in the collar" call at his saloon, ask for a glass of ice-cold beer, set under the fans, and get cool.

Little Frank Halliman, aged, 10 years, was severely injured Sunday evening, while attempting to catch on an incoming train. He missed his reach and fell under the wheels sustaining injuries that necessitated the amputation of one leg at knee, and half of the other foot. Friday he was resting away. The two Drs. Trahan and Dr. Madel are the physicians attending to him.

Our good friend H. Bodemuller, of Opelousas, was in Lafayette Sunday.

The Old Folks Concert on the 21st instant—don't miss it. Change of programme.

Now is the time to secure your reserved seats for the Old Folks Concert on the 21st instant.

The attention of those who desire to hire first class turn-outs is called to the card of Mr. Sidney Veazey.

Ladies and children haircutting at domicile of L. P. Bagery.

If we would bring people to Lafayette parish, we must let them know what we've got to offer.

Mr. Henry Crouchet, one of Carencro's progressive citizens was in Lafayette Tuesday and made The Gazette a pleasant call.

Carencro will soon have a railroad. Royville is fishing for one. Lafayette must not lag behind. Shall it be a refinery, Let's be up and doing!

The many persons who missed the first opportunity to see the Old Folks Concert, if they wish to enjoy a treat should not miss the entertainment on the 21st instant.

The Old Folks concert held on the 5th netted the High School fund \$61.80. The entertainment to be given on the 21st—if the people appreciate a good thing—ought to net, at the very least, double that amount.

To our friend Prof. Ben F. Toler we return thanks for an invitation to attend a picnic given on the 16th instant, by the patrons of the public school at Ridge. We were sorry that circumstances beyond our control necessitated our absence.

The Lafayette public school, Prof. R. C. Greig and Miss Maggie Janieson teachers closed the regular school session yesterday. The school will remain closed until the 1st of September and thus afford the teachers and children ample recreation.

In the Grouchet Hall, in Carencro, on the 4th of July, will be given a grand ball. The committees are composed of gentlemen who never leave anything undone to assure a pleasant evening to their guests, and add to this the always successful efforts of Henri Crouchet and it will be seen that a pleasant time is in store for those attending. Let's all go.

The Gazette suggests to those having lands for sale to have a descriptive circular of them sent over the overflowed district. There are peo-

ple of some means out there who would, probably, be glad to leave a place where they live in constant dread of the high water, never feeling sure, when a crop is planted, whether they will ever harvest it.

The Opelousas Ice Company has established a branch office in town, and placed Mr. C. J. Sanders in charge. No better choice than Mr. Sanders could have been made. Courteous, accommodating, he will no doubt build up a good trade.

Don't fail to attend the ball at Mr. Lisbony's given by friends of Mr. Pointbeuf for his benefit. The date has been changed from the 21st to the 19th.

The Gazette has received an invitation to attend the commencement exercises of the convent schools conducted by the Sisters of the Perpetual Adoration in Breaux Bridge on the 24th and 25th instant. From the programme we should judge that the children will give a nice entertainment, and as the people of Lafayette and Breaux Bridge hold the most pleasant relations, an opportunity is here furnished to still further them.

The committee appointed by the Business Men's Association are hard at work perfecting arrangements to give the visiting delegates to the Road and Immigration convention a royal reception on the 21st. As it will take money to do so, the Gazette hopes that our citizens will contribute liberally. The more money the committee will have the grander the reception. Let Lafayette show that when she invites friends she knows how to entertain them.

Last Monday evening a prohibition meeting was held at the Court House, and lectures delivered by Rev. C. M. Lyons and Capt. J. N. Pharr, of Morgan City. Although the attendance was small the speakers were accorded appreciative attention by those present and at the conclusion, a prohibition club of seven was organized with the following officers: R. C. Greig, president; T. B. Hopkins, Jr., vice-president; J. J. Davidson, secretary; and Rev. John A. Miller, treasurer. No party affiliation is disturbed, as those who join simply pledge themselves to vote for prohibition.

Caught. Sheriff Broussard arrived Monday from Vicksburg, Miss., having in custody C. F. Clark with a string of aliases. The sheriff was obliged to obtain a requisition from Governor Stone to secure his prisoner. This is the individual who, some time since stole \$500 worth of checks from W. H. Ray, a New York insurance man. He also stole a valuable case of surgical instruments belonging to Dr. Frank Mouton, and valued at \$25. He claims to be a regular graduate from Findlay, Ohio, and claims to be of respectable parentage. As the doors of the parish jail opened to receive him he gave a long glance all around and then stopped nimbly and smiling inside. The sheriff has information to the effect, that Clark served a term in a lunatic asylum, but the sheriff thinks he is perfectly sane.

Ice! Ice! Messrs. Hoy & Meresh, proprietors of the Opelousas Ice factory, have established in Lafayette, and will make delivery twice a day. The depot is opposite Mr. Pellerin's store. Mr. C. J. Sanders, the agent, will give prices and sell tickets. Parties who will buy in summer, after the closing of the depot for the season, will be supplied direct, in winter, from the factory. Jun 17 1f.

Carencro News. From Our Regular Correspondent. The Brotherhood of Railroad Trainmen will on July 2nd give their grand annual excursion, from Washington to Abbeville. It will no doubt prove a very enjoyable trip. These gentlemen have proven on several occasions that they are experts in the management of excursions, and who ever avail themselves of this opportunity of visiting the beautiful little city of Abbeville, may rest assured that they will spend a pleasant day, and their every comfort provided for. The fare has been placed at the low price of 1.50 from Carencro for the round trip. The train will pass Carencro at 7:52 A. M. Remember the date and hour. The steamer Alice Leblanc will run in connection with the excursion, affording an opportunity to those who might desire to take a trip on the beautiful Vermilion Bayou. Don't fail to be on hand.

Royville Items. From Our Regular Correspondent. Archbishop Janssens, of New Orleans administered confirmation to over 400 persons last Thursday. Of the visiting clergy present were: Fathers Forge of Lafayette, Jouan of New Iberia, Meaux of Abbeville, Langlois of St. Martinville.

Our city election took place last Saturday. With the exception of a pistol shot, and a bruised skull, every thing went smoothly enough. Marshal Theriot had a little difficulty with Mr. H. David with above results; fortunately no one seriously hurt. Hon. H. Theall was elected mayor, and Messrs. P. A. Duplex, A. L. Dyer and D. Bonnemaison, councilmen. The chief of police will be appointed by the newly elected council.

Mr. H. A. Savoie of our neighborhood has a hog now weighing

700 pounds. Mr Savoie is a reliable gentleman and we took' his word for it. Now, of course, if any of The Gazette's many readers, think that there is some exaggerations on our part, we will drive them over, (furnishing buggy and horse free) so that they may see for themselves the truth of our assertion. We may also mention that this hog was not born in any other parish, but is a full blooded native of Lafayette.

Several of our sports returned from the races last Saturday rather sick of heart, also with empty pockets. That "dun" mare from Scott "done us up" in great style, and the best to be done in the future is to let her alone, and save some of our loose nickels.

Messrs. Young and Mouchet attended the progressive euchre at Lafayette last Saturday evening.

Dr. N. D. Young, and Messrs. P. B. Landry, D. Bonnemaison, H. David, N. Higginbotham and A. Primeaux were visitors to Lafayette Saturday.

Messrs. Joe Leblanc and Odillon Blanchet visited Abbeville Sunday.

Dr. G. W. Scranton has been confined to his bed the latter part of the week, suffering from an attack of bilious fever.

Cards are out announcing the marriage of our good friend, M. Billaud, Jr., to Miss P. Bernard of Arnaudville. We return thanks for the invitation sent us.

We are afraid our telephone line, will end like the "the letter that never came." CHEROKEE.

Wedding. At 6:30 o'clock Thursday evening the brilliant nuptials of Miss Helen Eugenia Gifford and Mr. Wm. Clegg, Jr., were solemnized before a large concourse of people at Christ Church. Rev. C. W. Rank performed the ceremony according to the High Church Episcopal ritual. There were thirty-five surprised choir boys who preceded the bride as she was led to the altar by her father. The effect was beautiful and added to the interest of the ceremony, because it was an innovation to the conventional Louisville wedding. The choristers followed the bride and groom. As the bridal party reached the altar Mr. Clegg, accompanied by his best man, Mr. Gustave Breaus, came forward from the vestry room. The order of the bridal procession was reversed after the ceremony, the choristers and minister following the bride and groom from the church. The ushers were Messrs. Ed. Boenicke, Benjamin Halina, Frank Hogan, Thornton and Morris Goodlow, and Morris Gifford. Miss Gifford, the daughter of Capt. H. N. Gifford, made a sweet and lovely bride. Her dress was very handsome, being a Creek bridal gown of crystal silk trimmed with pearl and old lace, with high neck and long train. A tulle veil covered the gown, the head bearing a tiara of pearl. The groom is a prominent young business man of Denver, Col. His native heath is Lafayette, La., where his father's family still live. He is a nephew of ex-Judge Clegg, formerly of the Louisiana State bench. Mr. and Mrs. Clegg left almost immediately after the ceremony for Chicago, thence to Denver, their future home. They were the recipients of an unusually large number of handsome presents.—Louisville Times.

Town Council. The council met Monday. The minutes of the previous meeting were read and before approval, Mr. Fred Mouton, stated a motion made by him and duly seconded relative to the public printing to bid did not appear in the minutes, and he desired his motion to appear in the minutes, and it was so ordered.

Several bills were then approved. A communication from R. E. Martin, justice of the peace, asking that a side-walk, in front of his office, be repaired. Received and referred to street committee.

The Marshal stated to the council that complaints had been lodged with him relative to the houses of ill-fame. It was ordered that these places be encircled by a fence ten feet high.

The marshal was requested to put in force the dog ordinance.

The following ordinances were passed. An ordinance prohibiting the getting on and off of trains in motion and providing a penalty for violation of same.

Section I: Be it ordained by the City Council of the town of Lafayette that it shall be unlawful for any person or persons to get on or off of any engine train or cars of the Southern Pacific Railroad Company while in motion within the corporation limits of the town of Lafayette.

After passing on some matters of minor importance the council adjourned.

Only 46 saloons are allowed in the state, and these will be run under the supervision of the State; liquor will be dispensed only in sealed packages containing from five gallons to half a pint and can not be drunk on the premises.

The climate of Southwestern Louisiana would be a revelation to the people of the Northwest, and Lafayette parish is the garden spot. Don't take our word for it, but come and see for yourself, and you will be convinced that this is the land of perpetual spring.

As long as this man purchased his GROCERIES at the nearest place, just because it was "convenient," he bore a face as sour and discontented as appears in this picture, and he was ready to fight a DUEL at the drop of a hat.

He was paying such prices (the lowest he believed) for Coffee, Sugar, Flour and other groceries, that he could not "make both ends meet," which accounted for the ugly and cross way he spoke to his wife and children.

What a great transformation we see! Shortly after this same crabbed, crossgrained man took the advice of a neighbor who did not mind walking for blocks further, himself, and found out that at

he not only could get anything he wanted in Staple and Fancy groceries, but discovered he could buy much cheaper from them, than elsewhere.
