

THE WILD MAN OF BORNEO

Never created half the stir nor drew half the crowds that our latest lot of
NEW GOODS HAVE ATTRACTED.

Everything for Summer Wear for Ladies, Men and Boys can be found in our immense stock. All prices, all colors, all sizes. Everybody wonders how we manage to be crowded every day, when June is considered a dull month. Some say it is the electric fans which render our big store so comfortable that we are always crowded. Others say it is our polite, accommodating clerks. Still others say we hoo-doo the public. All are partially correct, and here is the rest of the secret: "WE CHARM THEM WITH VARIETY, WE MESMERIZE THEM WITH STYLE, WE HYPNOTIZE THEM WITH QUALITY."

And while they are in this helpless condition, we knock them clear off the Christmas Tree with prices. It sounds cruel, but they all like it and come again and again, bringing with them other victims to be made happy by Mistrot Brothers and Company's remarkable, new methods of hoo-dooing. We will tell you of a few of the many good things we are offering. "Just a few mind you, but there are others."
